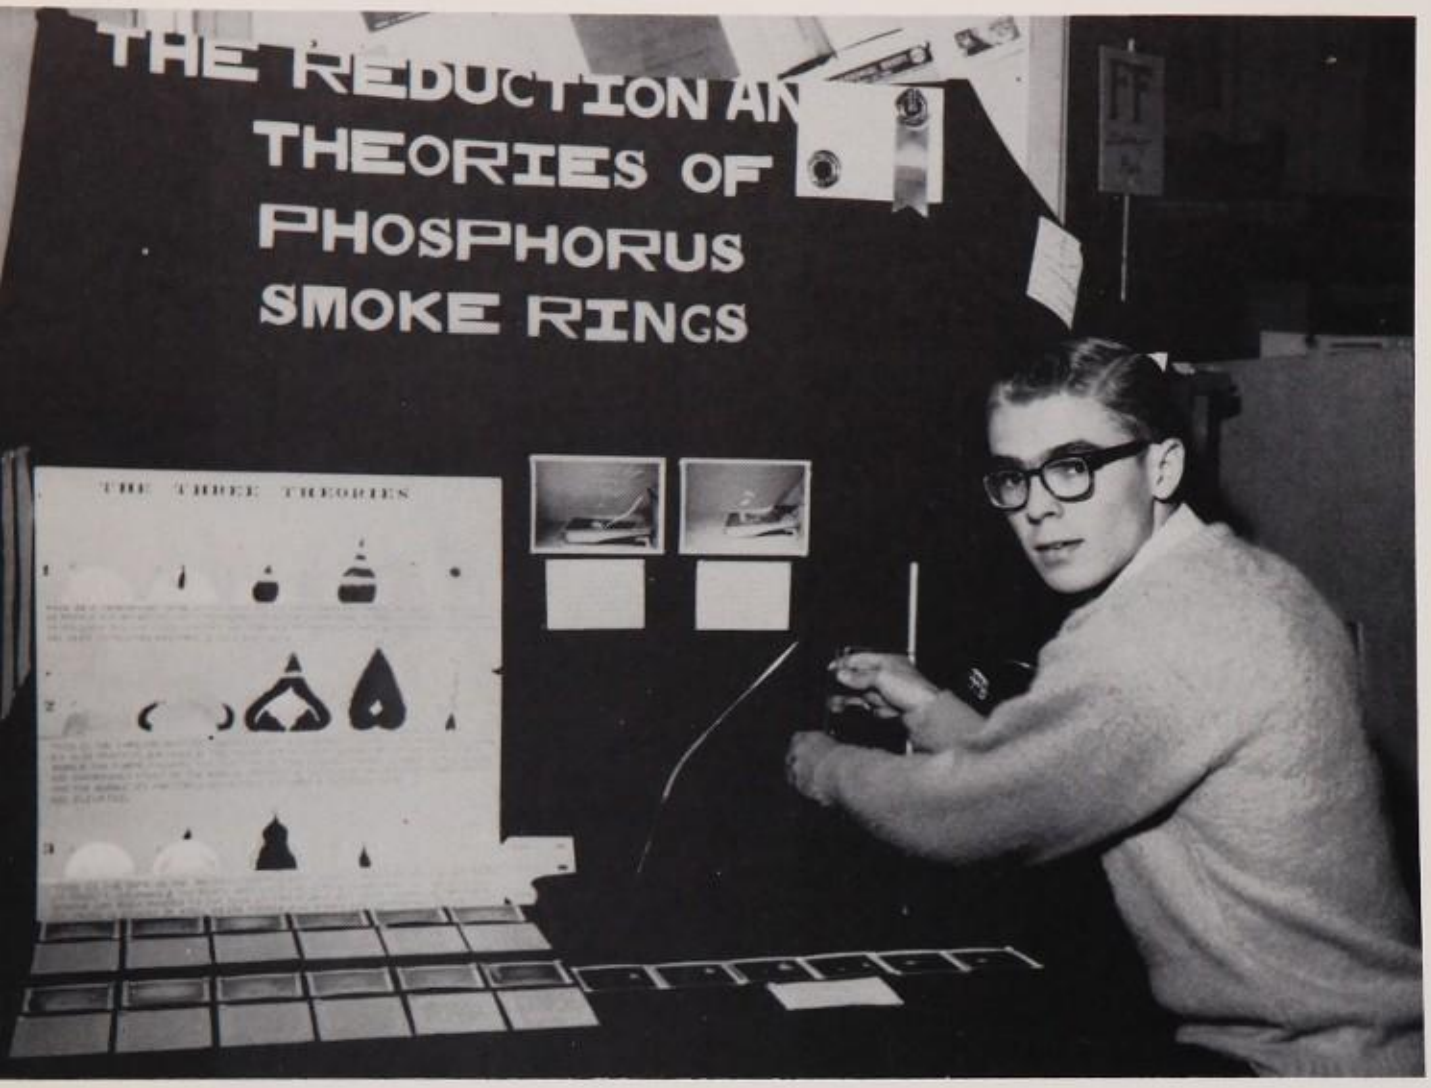
Two traditions influence our future. College Night where representatives from many colleges and universities acquaint students with the opportunities and varied experiences available to them at institutions of higher learning. The Father-Son Banquet is an inspiring event held on George Washington's birthday. Leaders from the nation, state, and community meet with our boys and their fathers. This year's speaker was Robert T. Gates, co-ordinator of the National Defense Act.

Head table included Principal William Duncan and Speaker Gates.

Cadette trainees set this lovely table for the traditional Father-Son Banquet where fathers and sons (including honorary father Bill Thomas), enjoy dessert.



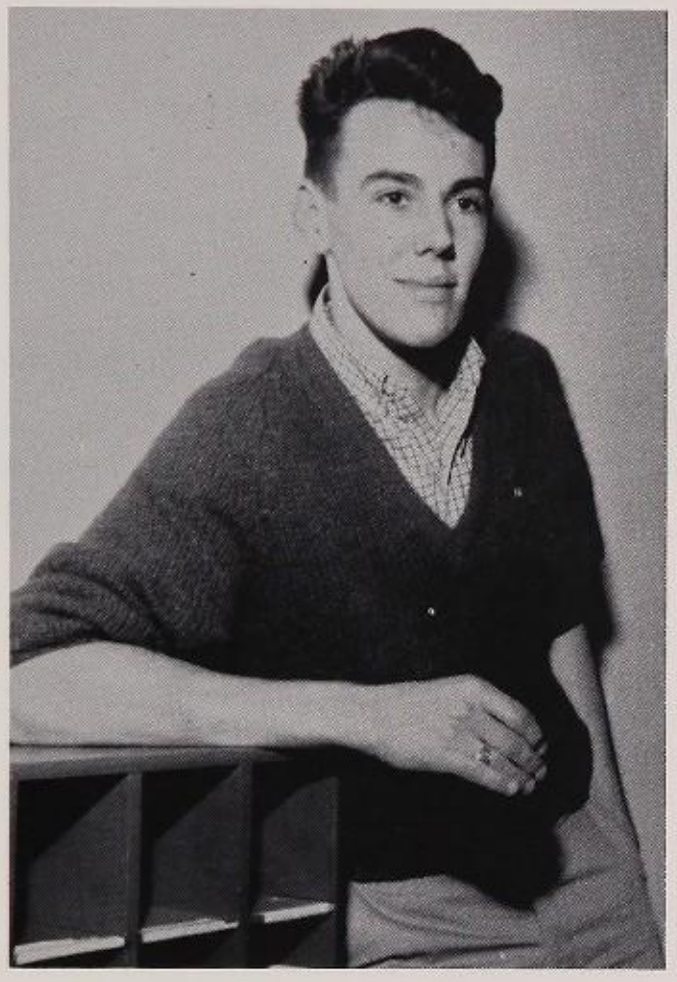
Charles Stephens' project rated superior.

So did Forrest Lehman's.

Many hours of study and research go into each project submitted in the Science Fair. Finished works are displayed in the library, then taken to Dinner Key Auditorium for county competition. School winners receive superior, excellent and honorable mention awards.

We greeted our first foreign exchange students this year and a new tradition was born . . . Gerdika Hesche from West Germany and Peter Twentyman from England have become an integral part of activities, their friendliness endearing them to everyone.

Peter plans to enter college in London, England after touring the United States this summer.



Although Gerdika graduates here, she must return to high school in Germany.

Peter, David Folsom, and Gerdika go through the morning ritual in the Student Council office—coffee, or is it tea?

Meeting with Florida's Governor Faris Bryant and touring Tallahassee, capital of the state, was one of the high points of the "amigos'" visit.

Genaro Goyzueta learns quickly how to "twist" from Sandy Adams.

Welcoming Gerdika and Peter was only the beginning of our embarkation into the field of personal diplomacy since we soon were called upon by the Miami Herald to take into our homes and hearts 48 students from Lima, Peru, for two weeks. They came to live with us and to observe our customs and traditions, our industries and educational methods. Their outgoing nature and exuberance were contagious and when the time came for their return to Peru, they had become a part of Edison and our friends for life.

Patty Bond tearfully tells her new friend good-bye at the end of her stay.

"Adios Amigos!"

Alejandra Talledo and Felipi Pizzaro taste pizza for the first time.

The Grand Finale.

Favorites at the show were these school "beauties" who performed with grace and poise rivalling that of the Pavane club.

Meet Richard Quianthy, interlocutor of the 1962 Minstrel.

"Months of Memories at Edison" unfolded as the curtain rose on the 1962 Minstrel, an exciting event for the entire student body. Try-outs are held, the infamous end-men are chosen, and the big night arrives. An abundance of talent is evident as students sing, dance, and joke for the amusement of a packed house. This, the thirty-second presentation, included songs and dances from Broadway hits such as West Side Story, Flower Drum Song, and Bye Bye Birdie.

Amigos joined the Minstrel show and performed dances in their native Peruvian costumes.

"Ah ahproves." "Ah ahproves, too," express the dee-lighted endmen watching the scintillating dancing of the Damas Club.

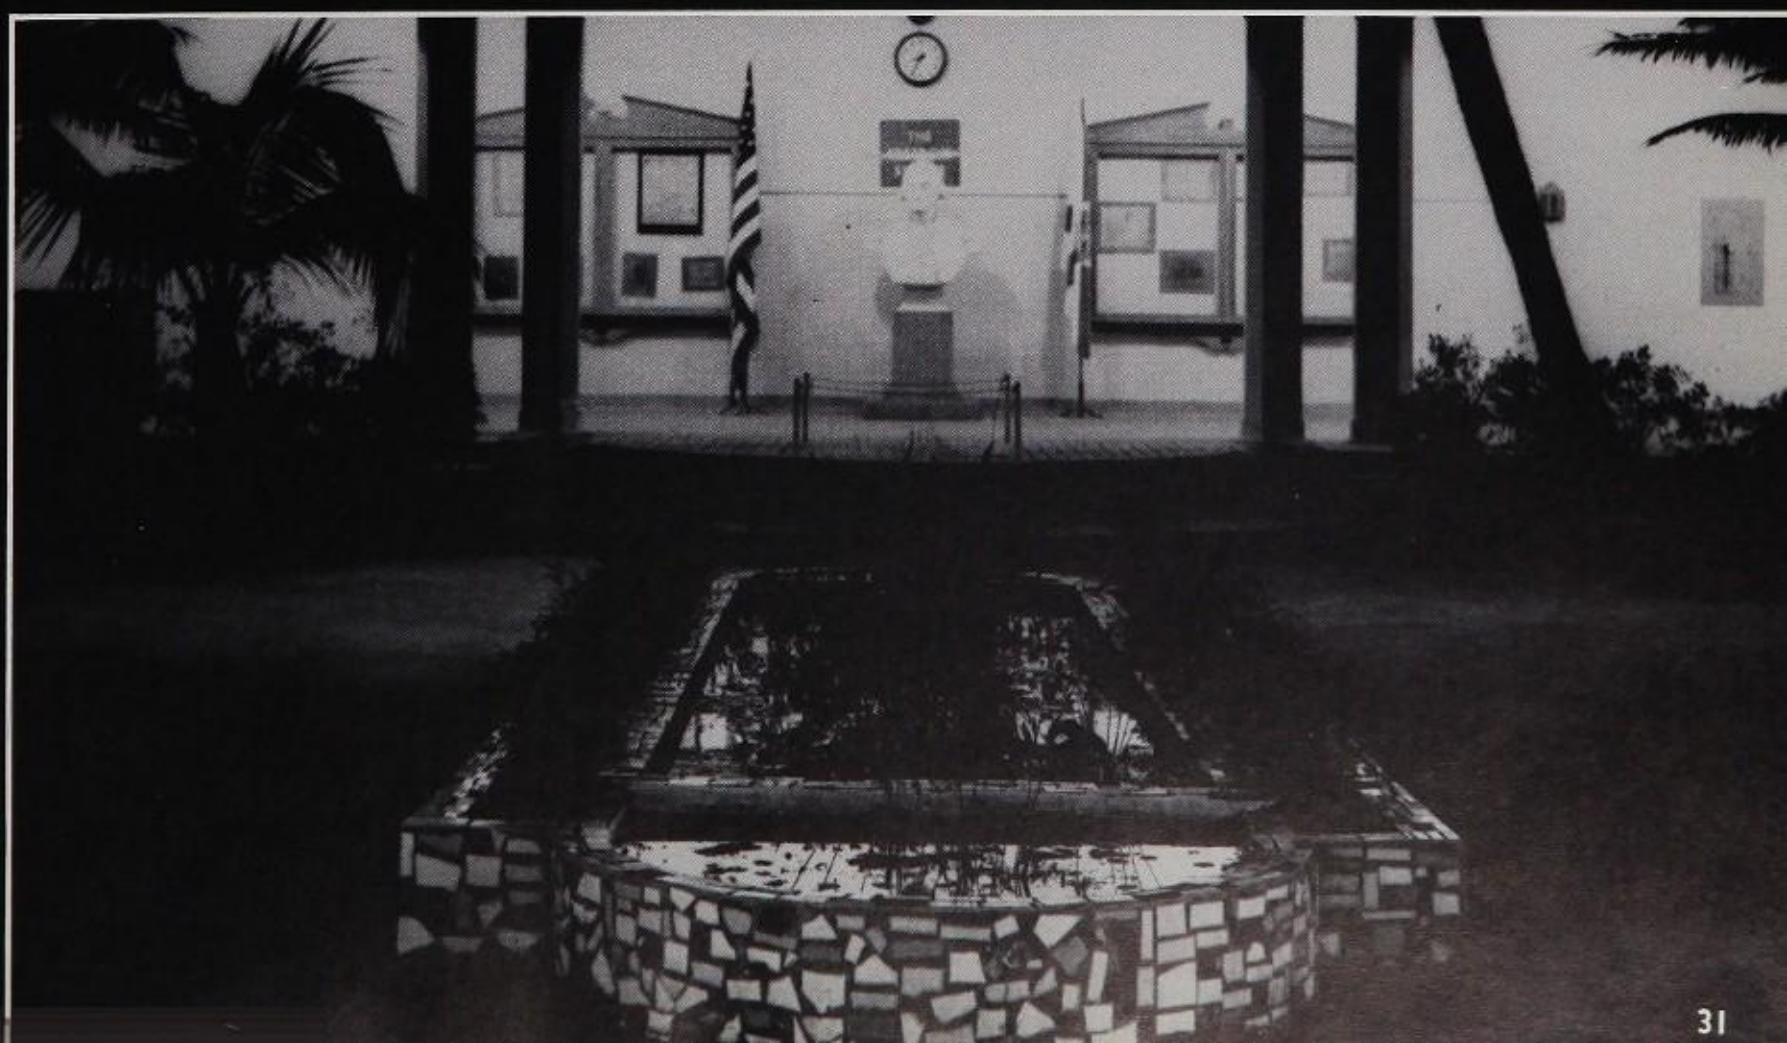
Where the graceful fronds of palm trees
Shade each stately wall,
Edison stands our Alma Mater,
Guardian of us all.
Hither come we from all corners
Of our spacious land;
Youth's bright morning sun shines here
On one united band.

May we add, by word and action,
Luster to her name,
Following her guiding beacon
In our search for fame,
May we, when life's sun is sinking
Down the western sky,
Still keep faith with Alma Mater,
With dear Edison High.

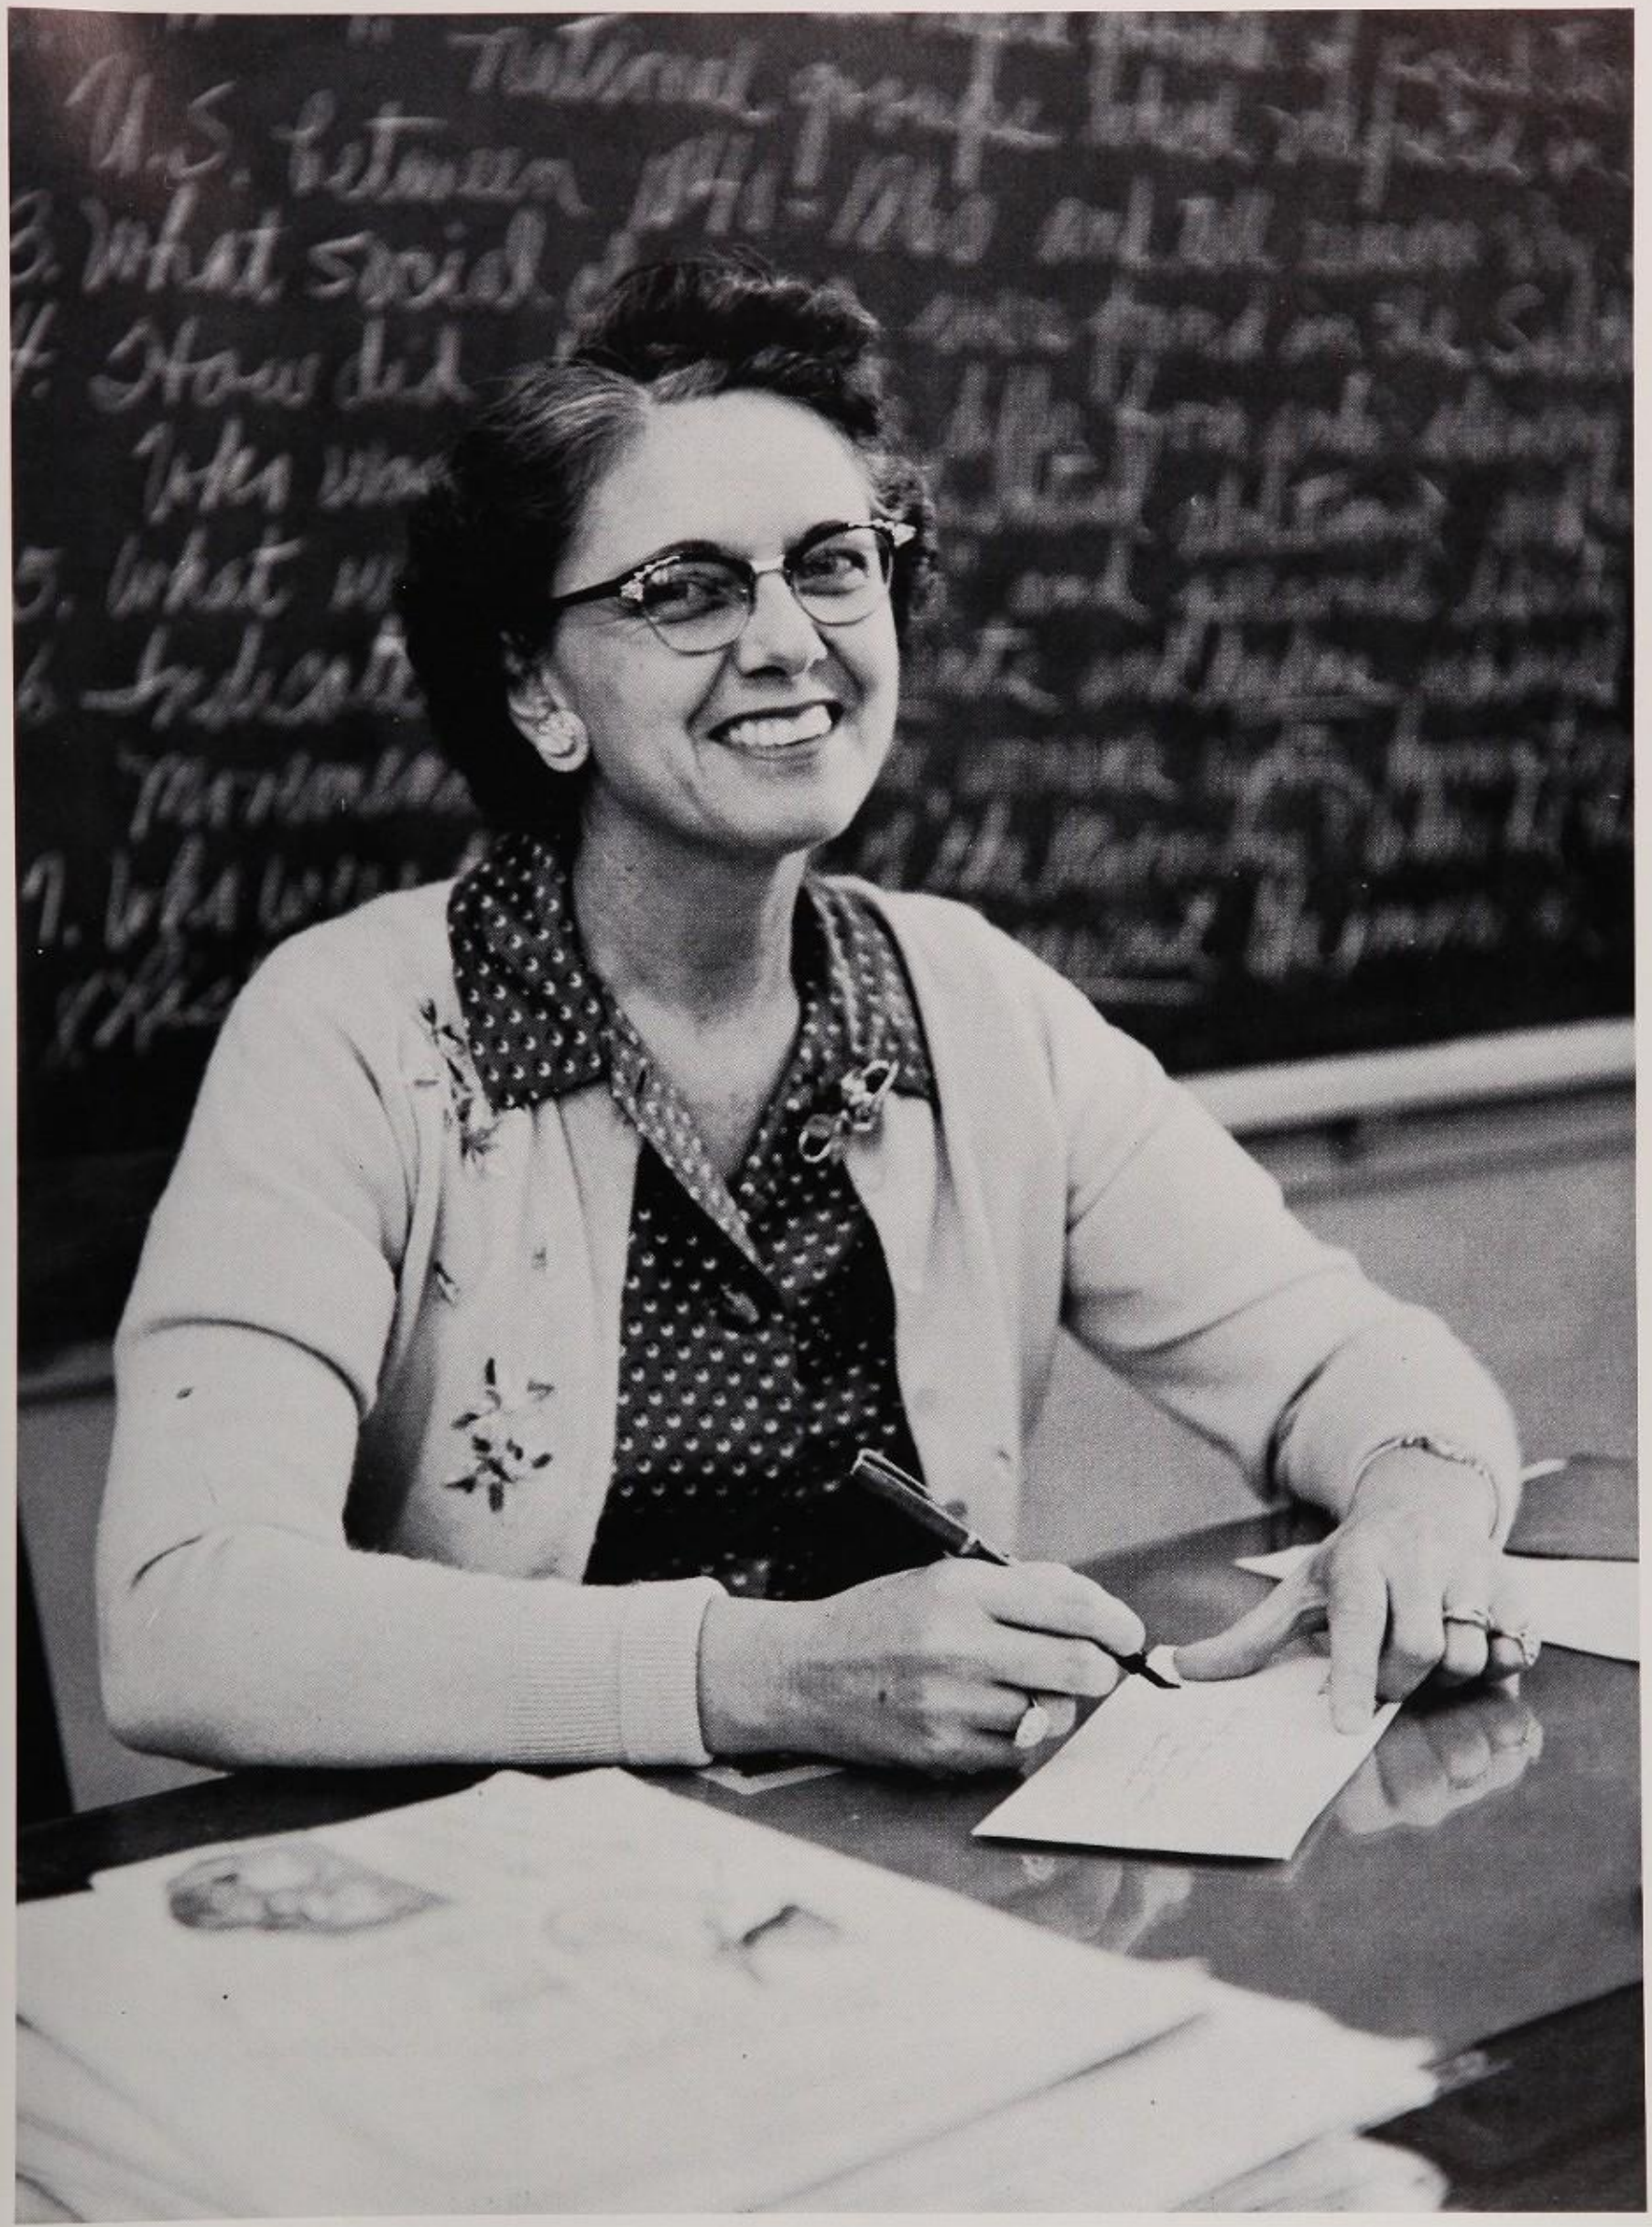


DEDICATION

A teacher who is dedicated to her subject and profession is admired and respected by her students and fellow teachers. Mrs. Margaret Tait is such a person and we wish to dedicate this 1962 Beacon to her in recognition and appreciation.

Mrs. Tait is a former Edison student; she served as captain of the Cadette Corps and was salutatorian of her graduating class. Born in Virginia and a graduate of Duke University, she has taught American History in the eleventh grade for four years. Because of her dedication and patriotism, she will always be remembered by those who have known her as a superior teacher and an example of the finest traditions of the profession.

MRS. TAIT gives a lecture in American history to her eleventh grade class.



Academics

As we learn, we seek after the excellence that was a part of our forefather's heritage, so that our tradition of greatness will not be lost. Through knowledge and understanding we can assume the responsibilities that will be ours. "He who seeks knowledge finds life."

George Washington . . .

William B. Duncan

Administration Offers Positive Leadership

MR. WILLIAM B. DUNCAN, principal, has the responsibility of guiding Edison's academic life and all other phases of school activity. His leadership, interest and inspiration have been outstanding factors in making Edison the fine school that it is and he has gained the respect of faculty, students, and everyone with whom he comes in contact.

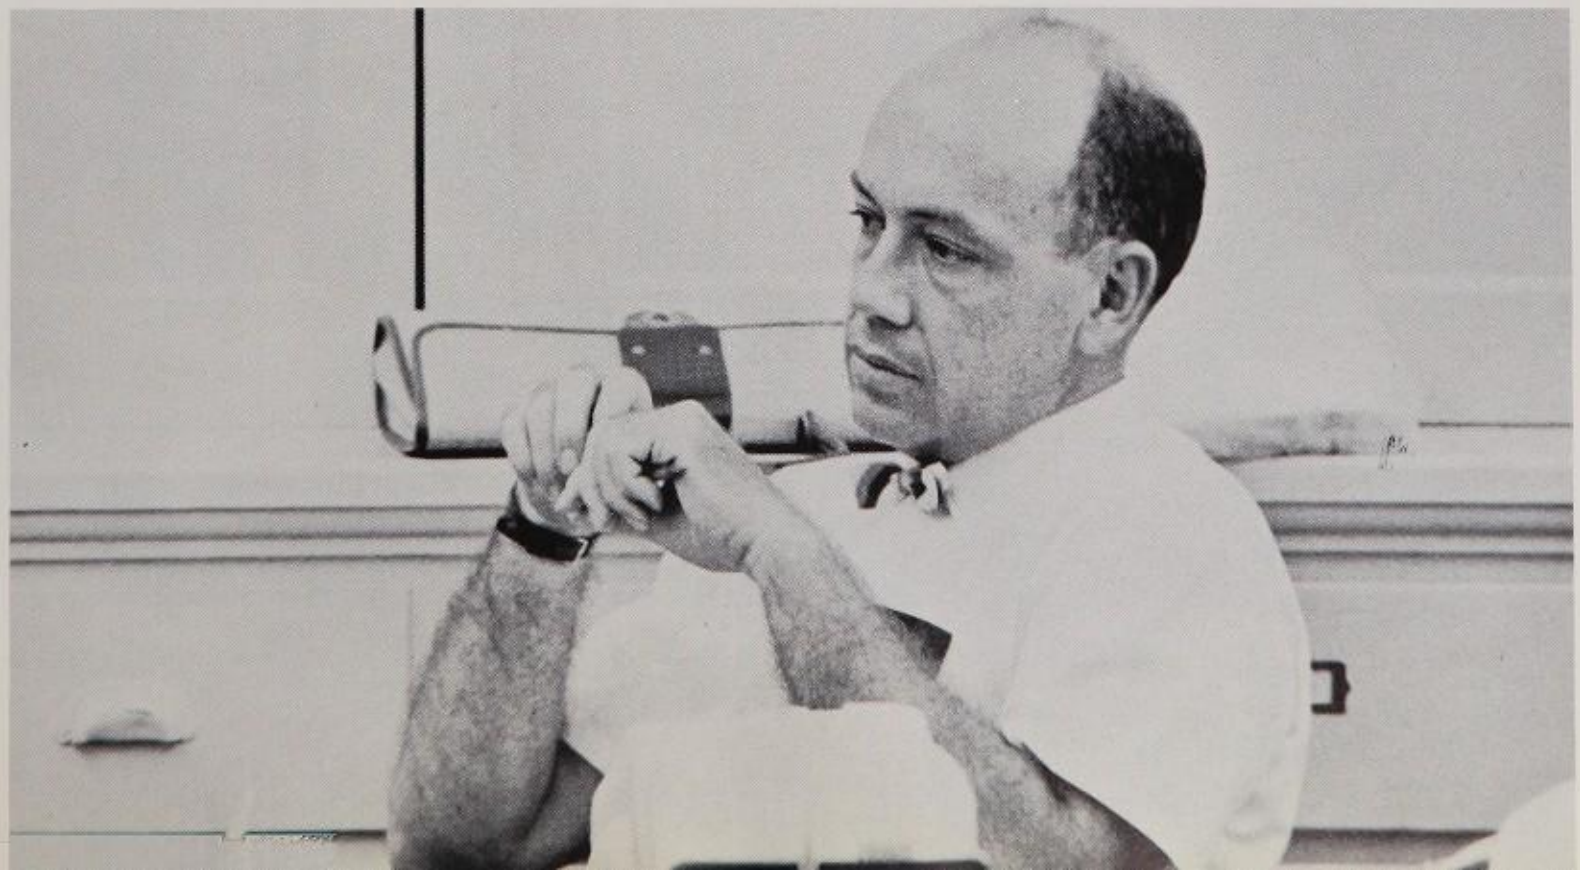
PONDERING over a problem is Mr. Duncan in his office.

CHATTING AMIABLY are Mr. Duncan and Mr. Thomas. Could they be discussing Edison's award winning attendance record?

MR. WILLIAM H. THOMAS serves as the dean of boys. It is his job to keep record of daily attendance for the boys and to be a friend, adviser, and, if necessary, disciplinarian to the boys at Edison.

MRS. NONA McKINNEY, as dean of girls, is always ready and willing to help the girls of Edison's student body. Her guidance and assistance are available to any who are in need of them.

MR. DONALD A. BURROUGHS, as director of student activities, plays an important part in student life. A few of his many responsibilities include sponsoring the Student Council, supervising the large club program, scheduling assemblies, proctoring tests, and maintaining the school calendar.



"JUST 200 MORE and we're through." Donald Chism, student assistant in the English Department, shows Mrs. Grizzle how it's done.

Grammar, Literature Only Part of English

The study of the English language gives a student the ability to better understand his life through reading, interpretation, and expression. English courses are taken at the sophomore, junior, and senior levels with one honors course at each level for advanced students.

A reading improvement program has been developed and all classes take a two-weeks course under the direction of a specially trained teacher.

Electives in the English Department include journalism, debate, and drama. Students in Journalism II and III publish the newspaper, the Herald, and the yearbook, the Beacon, respectively.

Those taking forensics and theater arts may take part in debate and drama programs. Participation in the Miami Herald Spelling Bee, the national advertising essay contests, and other essay competitions, is taken annually.

Tape Recordings Aid In Learning Languages

In a time when communication is vital, the study of a foreign language educates the students not only in the tongue, but also in the customs and life of a country. In our language department, the audio-lingual laboratory is used to aid in teaching.

There are at present four years each of Spanish and Latin, three years of French, and two years of German offered. Language clubs sponsored by teachers in the department develop the interest of their members in the cultures that developed their respective languages. The clubs include Der Deutsche Verein, French Club, Junior Classical League, and Sociedad Honoraria Hispanica.

Students also participate in national German and Spanish contests. To recognize achievement in languages, awards are given to outstanding Latin and Spanish students.

Team Teaching Is a Successful Innovation

Social Studies promotes the knowledge of men, his environment, his customs, and his institutions. An innovation in American Government II classes is the method of team teaching. Three classes of approximately eighty students each are taught by Mr. Shumard and Mrs. Hach. This allows for better understanding because of the concentrated specialization and the wider range of knowledge available to two instructors. Other courses include: American History and Government I; Psychology, the study of the individual in relation to his world; Sociology, the study of society in general; Economic and World Geography, which investigates man and his environment; and World History which traces man's development.

The U. N. Exam, the Time, Inc., Current Events Exam, the Civitan Essay Contest, and the Florida Historical Association Contest are sponsored by this department, in addition to the Silver Knight Award for Social Studies.

New Program in Math Proves Challenging

A well-rounded program of mathematics is offered to Edison students in order to give them the foundation of logic and study necessary in all walks of life. Courses include algebra, which covers basic fundamentals and extensions of numbers, equations, graphs, and quadratics; plane and solid geometry, which investigates figures using logic; trigonometry, the study of triangles; and math analysis, an advanced program for superior students.

A new program in geometry called the School Mathematics Study Group has been introduced and is successful. It probably will be broadened in the future.

The Merit Scholarship Exam and National Math Exam are administered by this department. Students may demonstrate their ability by participating in the Mathematics and Science Fair and for the Silver Knight award.

Research, Study Calls Top Young Scientists

The Science Department undertakes the task of instructing students in the various phases of the natural sciences. Students may take part in the Physics Scientific Study Committee, the Biologcial Sciences Curriculum Study experimental sections, and other courses such as biology and advanced biology, which study plant and animal life; chemistry, which investigates the make-up of matter; physical science, which is a survey of science in general; and aviation science.

Several students are also members of the Laboratory Research Program in which they cooperate with outside scientific industries in research. A sophomore science award and a Bausch and Lomb senior science award are presented to outstanding students at those levels. The science department also takes part in the Science Fair, the Westinghouse Talent Search, and the Florida Junior Academy of Science and sponsors the Science Club for interested students.

Training for Future Given Business Pupils

"Asdf space jkl; space" is the first step in the training of some eight to nine hundred business education students for successful business careers or for personal-use needs later in life.

The Business Education Department initiates and completes a series of classes designed to prepare the Edison High student to take his place, immediately upon graduation, in the business office or in the myriad retail-selling fields in the local Dade County area. Job placement through the department head often occurs before graduation and, in cooperation with the local Florida State Employment Office, many more graduates are given opportunities for positions in business.

A fine Future Business Leaders of America chapter provides interesting social and additional training opportunities for its members. Individual awards such as the Gregg Publishing Company awards for shorthand speeds and typing speeds, filing certificates, and the like are available for superior students.

Art, Music, Literature

TERRY GRANT works diligently at perfecting each stroke of her project for art class.

ART

Students in the art department discover new awareness of beauty and develop their talents at the same time. The basic fundamentals of art such as drawing, painting, commercial art, and poster-making are taught. As the student advances, he becomes skilled in using any of the art medias—pencil, watercolors, oil paints, pastels, brush, pen and ink, clay, or sculpture cements. This department also sponsors the Titian Art Honor Society which annually awards a gold cup to the outstanding senior in art.

LIBRARY

The Library serves as a center of information and enjoyment for Edison's students. It has approximately 16,000 books, 100 periodicals, and 15 professional magazines for research and reference on any subject. In addition there is a pamphlet file, a career and art file, and a college catalog file, which is maintained by National Honor Society. Art works by Florida artists are also a part of the Library's varied resources.

MUSIC

The Music Department has two divisions: vocal and instrumental.

The vocal music division, which includes all the choruses, presented a program this year featuring the music of "South Pacific," the Concert Chorus gave several concerts for various organizations during the year in addition to providing vocal music for the Minstrel. It also was a participant in the FMEA vocal contest and attended the State Vocal Contest at Daytona.

The instrumental music division consists of the Raider Band, the Concert Band, and the Orchestra. The Raider Band provided halftime entertainment at the Orange Bowl during the football season. The Concert Band participated in Varsity Night, the Battle of the Bands, and the Minstrel. The Orchestra provided music for holiday assemblies, concerts, graduation, and baccalaureate. Also this year they made a concert tour of the state.

Practical Arts Fit Student for Future

Drafting and work in the metal and wood shops require knowledge of related sciences and mathematics. Students in the industrial arts department are able to apply these principles to those of industry. Skill and good work habits, as well as an appreciation of careful craftsmanship, are developed in working with hand and machine tools in the shops. With these skills, the students are able to create useful products, many of which are shown annually in a display in the center patio.

Future draftsmen get their first training in the mechanical drawing course. It includes skills, methods, machine parts, assemblies, freehand sketching, and perspective drawing.

These students will be equipped to take their place in industry or to make use of what they learned in their personal life.

Food's No Problem to Home Ec, Farm

Home Economics courses enable girls to gain practical experience and knowledge that will be of value to them when they have their own homes. In the cooking department, the students are taught fundamentals in nutrition, child care, food preparation, and economics. Clothes construction, style habits, and first aid are covered in the sewing department. Through these courses, girls will be able to make a better contribution to their homes and their communities.

Boys who wish to make a career out of agriculture take part in the vocational farming program. These agricultural students are taught the scientific, economic, and mechanical fundamentals that modern farming requires. At the school farm, which consists of a chicken house, egg grading room, gardens, a machine shop, and a nursery, these future farmers learn the fundamentals involved in their field.

Classes, College Plans Plotted by Guidance

In order that students will make wise decisions concerning high school courses, college plans, and future vocations, the guidance department works with teachers, parents, and students to help them toward this goal. Orientation of the student between junior and senior high school and between senior high and college is also an important function of guidance. Through this department, important educational and vocational material is made available to the student. It also administers placement tests. Conferences are held at the beginning and end of each year so that individual students may discuss plans with their counselors. College-bound seniors are counseled about college and scholarship opportunities. In cooperation with the department, College Night and Career Night are held each year. Through the efforts of our counselors, we are better equipped to plan our future.

HELPING NEW sophomores get acquainted to a new school is Counselor Shadle.

OFFICE WORKERS come to life as another tedious day begins. The staff handles school correspondence, keeps school enrollment records, takes care of grading by IBM, handles the switchboard, answers 10,000 questions a year, and many, many other duties.

Hub of School Activity Found in Main Office

One of the busiest places in the school is the main office. It is here that our registrar, treasurer, secretaries, and office workers keep the school running efficiently. Their duties include keeping records for the teachers, making requisitions for the school and its organizations, checking senior credits, keeping student records up to date, making transcripts, altering schedules, and arranging schedules for new students. The I.B.M. machine has proven to be a great help in preparing student report cards. Also located in the office are the public address system used for making announcements, and the telephone switchboard through which all incoming and outgoing calls must go.

More Stress Put on Physical Fitness Test

Physical Education is becoming increasingly important as more stress is put on physical fitness. Through participation in varsity intramural and personal sports, a student can attain physical fitness and personal achievement. Boys take part in such sports as volleyball, paddle tennis, touch football, basketball, track, tumbling, softball, speedball, and swimming; girls also participate in volleyball, basketball, tumbling, softball, swimming and padde tennis, in addition to archery, deck tennis and modern dance.

All students take part in social dancing and military marching. Varsity sports include football, basketball, track, baseball and swimming. Open to girls who meet the specified qualifications are the Cadettes Corps and Raiderette Corps. Also the Girls' Athletic Association is an organization for girls interested in sports. The National Physical Fitness test is administered by this department.

Classes

In our classes we find ourselves a part of Edison's tradition. As sophomores we discover what it means to be an Edisonite. As juniors we work together for school . . . in clubs . . . in class . . . in the magazine drive. As seniors we learn the meaning of "Seniors First!" . . . enjoy the fun of Skip Day . . . the banquet . . . the prom . . . and then graduation.

Three years ago we entered a new phase of our life here at Edison. Since that time we have had many trying moments—some disappointing, others joyous. As we leave Edison, we not only leave the school itself, but many cherished memories. We are now ready to step into the outside world, but we will always remember the wonderful three years Edison gave to the Class of 62!

Senior Class History

I was a sophomore. I can still remember that first thrilling day at Edison . . . It was this year that we had an undefeated football season holding Miami High to a score of 27-0. Then with the swiftness that the year began it seemed that the election of sophomore officers was over and the junior officers were being voted on.

My junior year brought a feeling of belonging—I no longer held memories of junior high, instead I became a part of Edison . . . wherever I went, whatever I did, there was that unmistakable spirit, that glorious pride in Edison. This spirit prevailed throughout the many activities of my junior year . . . the Magazine Drive when we surpassed our goal of $8,500 . . . the Junior Class Play and the Prom. The end of the year still held charm for me with the election of our Senior Class Officers, new club officers, sweethearts, and honeys. All of this was climaxed by the campaigning and politicking for the Student Council Officers.

I was a senior. I was that Edison spirit we speak of, I was the pride we take in Color Day, that thrill of Homecoming . . . I have felt pride to see my classmates become senior superlatives and stand among the six prettiest. I saw my school initiate Operation Amigo, the first program of its kind in the nation, illustrating democracy in action; I became friends with two new students, who came to us under our Foreign Exchange Program. I recall the excitement of ordering senior rings and banquet tickets; I can remember trembling at graduation practice — and dancing at the senior prom.

That whole year was spent in preparing me for a future, that day when I will be on my own. I was a senior then, yet I realize that no matter what may happen I shall never forget my senior year.

Student Council

The backbone of Edison's extra-curricular activities program, the Student Council has an unceasing responsibility to the student body. Under the capable direction of Mr. Donald A. Burroughs, sponsor, and officers David Folsom, Mike Smith, Sally Goodman, and Kino Sakuma, the best interests of the students and faculty are preserved through their student government.

The voice of the students, the representatives, work together with the officers and committee chairmen to co-ordinate those unforgettable activities which round out student life at Edison—the excitement of Color Day and the traditional Homecoming festivities, the Student Council elections

with rallies, speeches, and posters, the presence of our wonderful exchange students, unprecedented Operation Amigo, the Red Raider guidebooks and student directories, all the sock-hops and assemblies, and the Inter-Club Council representing all student organizations.

A great part of each student's social adjustment and desire to learn depends on his activities and associates while at Edison. The Student Council has worked hard to make Edison the best school in which to live and to learn and for these efforts we commend them with our sincere thanks and appreciation.

The Future Teachers of America chapter is continuously working toward their goal of becoming part of the educational field. Each member of the club is assigned to a teacher in the school and helps to grade papers, keep records, and do other duties in order to gain practical experience. Through these and other activities, these future educators learn the principles involved in teaching and also are informed of educational opportunities available to them. A breakfast for old and new members is held each year in addition to a tea given for them by Delta Kappa Gamma.

OFFICE WORKER, Sharon Garrigan is efficient in the use of the switchboard.

Helping to keep the offices of the school running smoothly, the office workers perform various duties and give valuable service to the school.

In the student activities office, the student workers aid Mr. Burroughs in his many duties. The girls working in main office file, type, operate the switchboard, and run many errands. The nurse's office is staffed by girls who keep the files and give aid to any student who is ill. Students working in the Dean of Girls' and Dean of Boys' offices perform the usual clerical work in addition to checking on students and helping the deans in any way possible.

The Future Nurses Club helps students interested in professional nursing to gain knowledge of the profession, to familiarize all with a basic knowledge of hygiene, to learn of the opportunities in the fields of nursing, and to help each member understand and cultivate professional ideals and attitudes.

The club has many money-making projects such as bake sales and the selling of souvenir pins and candy. Other activities include hearing auxiliary workers and professional nurses, holding a Christmas party at Hope School for mentally retarded children, filling Thanksgiving baskets for needy families, participating in fund drives, and taking a tour of Jackson Memorial Hospital.

Library

The Library Club assists the school librarians in making the facilities of the library available to all students and faculty members. These student librarians have charge of the circulation desk, help to keep the library in order by filing the returned books, maintain the card catalog, and mend books and perform many other functions which aid in making the library more efficient. Aiding students who wish to use the library and issuing passes for them is another of the many jobs which the members of the Library Club do for the betterment of the school.

The Beacon strives to record a memorable record of the year's activities. Work is begun before the school year starts and is kept at a high pitch until the last layout has been sent to the printer.

The various departments within Beacon staff are responsible for organizing the different sections into a completed yearbook. Pictures must be taken, copy must be written, and layouts must be planned before the Beacon may be finished. The financial division is responsible for obtaining advertising and selling the yearbook. All the members of the staff work hard to make a bigger and better yearbook possible.

STAFF ASSISTANTS Susie DiCiacco, Mary Jo Nash, Nancy Bell, Mary Lou Hosack, Keath Mitchell, Pat Zippilli, Lynn Wall, Nina Reynolds, and Gail Allen help make layouts for the Beacon.

BUSINESS STAFF—Sarah Stephens, finance manager; John Galvin, ads editor; Susan Wasserman, circulation manager; David Stoddard, ads editor; Cecilia Jones, typist; Pam Gardiner, exchange editor.

The Miami Edison Herald keeps the students informed as to what is going on around the school. News of coming events, information about the activities of the clubs and organizations, and coverage of sports events are included in the paper.

Staff members gain practical experience in both the editorial and business aspects of newspaper publishing. On the editorial side, staff members interview and write their own articles which appear in each issue. They learn about the various printing processes and journalistic techniques. On the business side, these future reporters learn about the financing of a paper through sales and advertising. The Herald is published ten times a year.

MANAGING EDITOR Carol Carey, Sports Editor John Burleson, and News Editor Diana Wise.

HERALD STAFF MEMBERS—Sharon Bell, Carolyn Mathews, Bill Boyd, Carol Sue Rogers, club editor; Harry Hann, Len Schweitzer, SEATED: Carol Lewis, Betty Iwanow.

HERALD EDITORS—Joel Myerson, ad manager and amusement editor; Jack McCullough, photo editor; Gail Miskoff, assistant editor and promotion; Terry Tucker, assistant editor; Pam Chaney, features editor; Carol Padgett, assistant editor and circulation manager.

THE TOP eight officers are: Paulette Stanley, captain; Kathy Mangum, first lieutenant; Andrea Kmetz, second lieutenant; Ellen Hinterkopf, color sergeant; Cheryl Albertson, captain's aide; Mary Weeks, top sergeant; Pat Jordan, drum sergeant; Mary Ralston, platoon sergeant.

The Cadette Corps is an organization made up of girls who can meet the high requirements of the corps. Those who wish to become a member must undergo a year of Cadette training, maintaining an average of 3.2, possess qualities of leadership and character, and have a high degree of marching ability. The discipline and uniform of the Corps is patterned after the West Point Cadets.

The Corps performs intricate drills during the halftime at football games. They also march in the Orange Bowl Parade and for various civic organizations. During the Christmas holidays, they presented the Cadette formal, Winter Waltz, at the Deauville. Every two years, the Cadettes make a trip to New York, Washington DC, West Point, Annapolis, and Front Royal, Virginia, where they participate in the Winchester Apple Blossom Festival.

Raiderettes

RAIDERETTES relax after a practice session.

The Miami Edison Raiderette Corps is composed of eight girls plus a solo twirler and a head majorette. The girls perform during the halftime of all the football games, in pep assemblies, and in the Orange Bowl game and parade. They were selected as the best high school corps in the state four out of the past five years. In addition, they perform in the school Minstrel, in state and district contests, and in any band performances.

Members of the Corps must keep up a 2.6 scholastic average. Practices are held during the summer as well as during the school year. The girls design and make their practice costume and one show costume a year.

PRACTICE MAKES perfect for Mary Ellen Bonilla, Judy Anderson, Carolyn Clark, Sheri Plude, Gloria Hollis, Darla Andrus, Dianna Carmona.

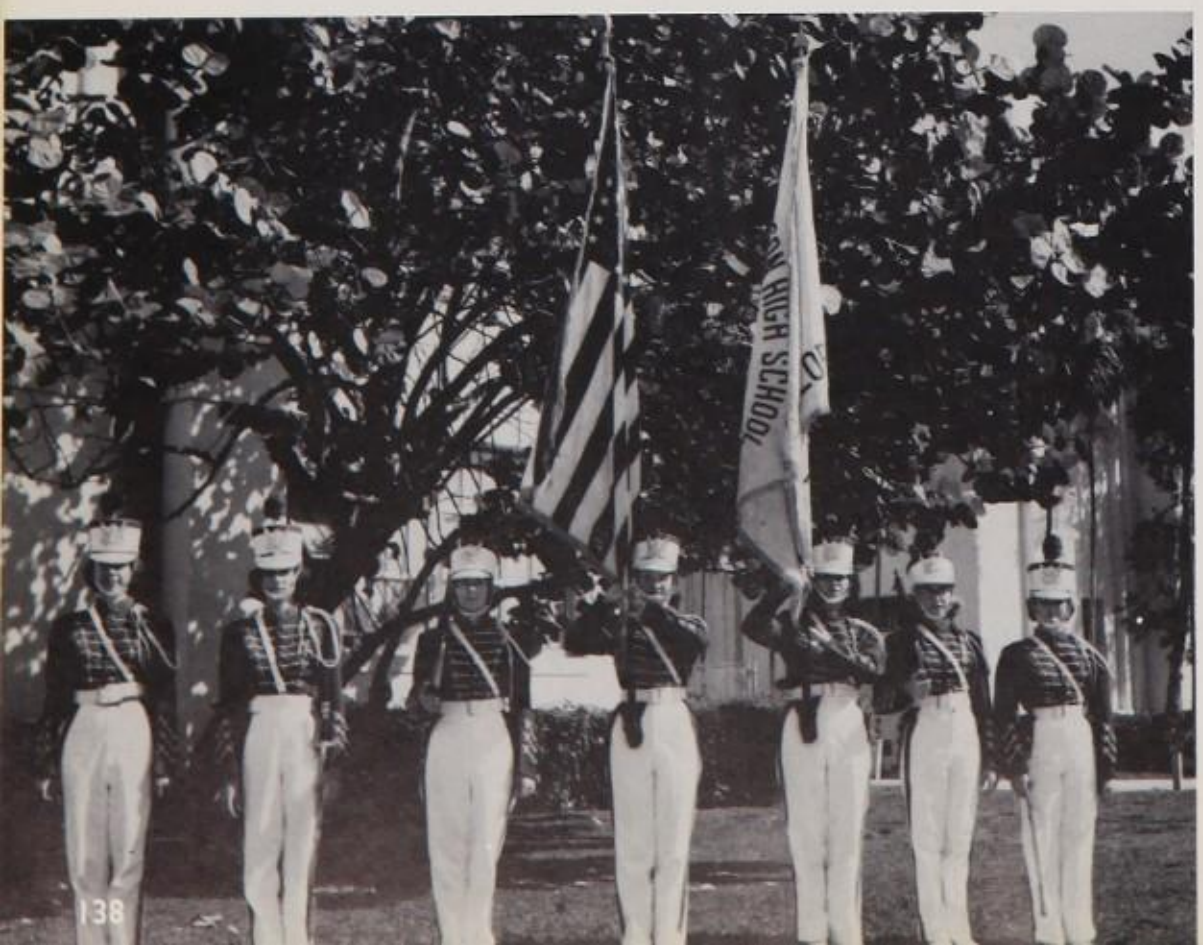
Raider Band

COLOR GUARD—Cheryl Schreiber, captain; Kris Harnew, Carol Schoell, Eleanor Houmes, Rona Roth, Amy Arnold, Judith Flemming.



Senior, junior and sophomore band members make up the Raider Band. They combine with the Marching Band to form the "Big Red Raider" Band which entertains at football games during halftime. They very capably perform intricate drills to their own music in several other contests and parades during the year. The color guard and band members spend many hours in practice in order to perfect their marching skill.

BAND STAFF—FIRST ROW: William Sepulveda, Mike Burke, Anne Lutz, Kris Harnew, Frank Cibula. SECOND ROW: Pete Graves, Donald Swanzy, Eleanor Houms, Marshall Sanderhoff.

The Marching Band exemplifies the fine Raider spirit at every football game, putting on terrific halftime shows and continually supporting the cheers of the crowd. We owe much to them for their spirited enthusiasm in the Pep assemblies. A football game would not be a football game without the band's support. Edison would not be the same without the band with Mr. Carney, its fine director.

BAND OFFICERS are Camellia Domingo, first lieutenant; Vincent Mercado, second lieutenant; Richard Lawrence, second lieutenant; Richard Sandlin, first lieutenant; Mike Burke, band captain; Donald Swanzy, drum major; William Sepulveda, drum major.

The Miami Edison Concert Band.

Concert Band

UNDER THE leadership of Mr. Carney the concert band has achieved fame throughout the state.

A group of fine musicians who present many musical programs make up the Miami Edison Concert Band. The Minstrel Band is chosen from its ranks. Other performances given by the band are at the annual band assembly, Varsity night at which a contest called the "Battle of the Bands" is held. They perform ably in accordance with their many superior ratings at the state and district contests.

Miami Edison Orchestra

Orchestra

UNDER THE direction of Mr. Lawrence the Orchestra goes through a practice session.

The Orchestra is a complete group of accomplished musicians who add greatly to musical appreciation in the school. Holiday pageants, concerts, PTA and other meetings, baccalaureate services, and graduation are among the occasions on which the Orchestra performs. It also is a co-sponsor of Varsity night in which the instrumental music department plays.

This year the Orchestra toured the state, and performed at many schools and colleges. They also participate in the various music contests and the MEA Clinic in Tampa at which they earn more recognition for their excellent performance.

Miami Edison Concert Chorus

Concert Chorus

The Concert Chorus, composed of students who excel in musicianship, scholarship, service, and dependability, is one of the most active organizations.

Under the able leadership of Mrs. Hazel Kerns, this group performs for various civic organizations during the Christmas and Easter holidays, on television, and at various school programs such as the Minstrel and holiday performances. Participation in the district and state vocal contests often results in superior ratings and our chorus is considered one of the best in the state. All the members of the Concert Chorus devote many hours to rehearsals and performances and do so because of pleasure rather than pressure.

Orpheus Honorary, chapter 97 of the Modern Music Masters, chooses its members from the Concert Chorus seniors and juniors. Qualifications for membership include chorus participation for one year, a high standard of musicianship and service, and proven dependability. This organization is formed for the advancement of interest in music and has been in existence for twenty-five years.

Members participate in monthly meetings, a get acquainted picnic, and a Christmas party.

Modern Music Masters

The Modern Music Masters is the Instrumental Music Honor Society at Miami Edison. To achieve membership in Tri-M one must obtain a 4. average in scholarship for one year in music and 3. average in scholarship for one year. Tri-M participated in many activities this year, among them were bake sales and many parties for band members however, the main function of Tri-M is to promote the enjoyment of good music among the Edison students and to become better musicians. Tri-M presents the Arion Award for qualities in musicianship service, and scholarship.

One of the outstanding organizations is the National Honor Society. Members are selected on the basis of character, leadership, service, and scholarship. They are required to maintain a 3.5 average.

Each year NHS continues to do services for Edison. This year the members acted as guides and ushers on College Night. During the Christmas holidays, they wrapped gifts to be given to children in a Miami hospital. The club also posts the honor roll and presents congratulatory cards to honor students.

The Teacher of the Year Award, awards to outstanding seniors displaying character, leadership, and service, plaques to the sophomore, junior, and senior homerooms having the highest scholastic average, and a scholarship to a deserving student are the awards which NHS presents annually.

Sociedad Honoraria Hispanica is an academic organization for those studying the Spanish language. Its purpose is to promote interest in Hispanic studies. To be eligible to become a member, one must have completed three semesters of study of the language, and must have maintained an average of 3.5 in the subject. During the year, they sponsor doughnut sales as a fund-raising project. At the end of the year a trophy is presented to the outstanding Spanish student for excellence in the language. This student is chosen as a result of a competitive examination and general scholarship in classwork. A medal is awarded to the winner, and his name is also published in "Hispanica," a publication of the American Association of Teachers of Spanish and Portugese which sponsors the Spanish National Honor Society.

Titian

The Titian Art Honor Society was formed for those students who are interested in art and furthering their knowledge and talent in the subject. The back drops on the stage during the football assemblies were the work of the club members. They also provided the sets for the production of "South Pacific" and the many posters for Vocational Guidance Week which was held from February 26 to March 2.

The paintings and sketches of the many talented members of Titian may be seen in the revolving art exhibit which is maintained in the center patio during the school year.

Creating more efficient thinking and more effective expression and promoting an interest in public speaking and debating are the main interests of the National Forensic League. The League is an honor society and limits its membership to those in the upper third of their class who can gain twenty-five credit points in competitive speaking with high-school students throughout the nation, and who can maintain high standards of honesty, character, and leadership.

The League is divided in two groups: the novice speakers and the varsity debaters, who represent Edison throughout the state. The chapter concludes its year by sponsoring an area-wide Invitational Congress that is held annually. At the end of each debating season, awards are given to the top varsity debaters for the service which they have performed during the year.

The Future Business Leaders of America Club is composed of students interested in the business world. Its two purposes are to develop the type of poise and personality that business demands and to enable students to gain practical business experience.

Selling mistletoe at Christmas and corsages at Easter are two projects in which the members participate. They also do special typing jobs for the teachers throughout the year.

Social functions include a farewell banquet for senior members. In the spring, members may also attend the interesting FBLA state convention in Tallahassee.

DCE Christmas Party was a blast.

DINNER IS served before the party starts.

The Future Farmers of America chapter is devoted to arousing interest and participation in an agricultural career. At the school farm, the farming students learn and have the opportunity to practice the principles involved in farming and related fields. The boys spend half the day in school and the other half at working in the chicken house, machine shop, egg grading room, nursery, and gardens which make up the farm. More experience is gained from the selling of some of the produce raised and the participating in the Florida State Fair. Hayrides and banquets rounded out the program of activities for these future farmers.

FOURTH ROW: Tommy Carlson, Sid Pickard, Johnny Hosack, John Coleman, Ronnie Wright, Henry Hernandez, Bobby Vega, Paul Anderson, Tom Mullin, John Morton.

The "E" Club was reorganized this year and plays a vital part in school life as it has done in past years. Students who have earned a letter in any of the four major sports—football, basketball, baseball, and track—are eligible for membership.

The most important and successful service that the club renders is in the help which it gives in collecting for the crippled children's Easter seal drive. Red sweatshirts decorated with the little red Edison devil were sold by the lettermen. They also sponsored a dance in addition to other parties which they held. In all their activities, the lettermen work toward their goal of sportsmanship and character.

OFFICERS: Pete Kiernan, vice-president; Ronnie Bushbom, treasurer; Mickey DeBruhl, president; Kenny Saunders, secretary. SECOND ROW: Bob Astley, I.C.C.; Neil Valleau, sgt.-at-arms; Jim Campbell, chaplain.

Pavane

Pavane is the honorary modern dance club at Edison. Requirements for membership are a 2.8 overall average and a 3.5 in modern dance.

Pavane participates in many activities such as dancing in some of the halftime shows at football games, the Chorus show, several television shows, and the Minstrel. Toward the end of the year, the club traditionally puts on its own dance show.

On the social side, Pavane has a skating party open to all Edison students, a party with Civitan, a Get-Acquainted party for prospective members, plus several other parties. At the end of the year, the club presents an award to its outstanding member.

OFFICERS: Cherrel Hawes, chaplain; Sara Shepherd, I.C.C.; Sally Goodman, treasurer; Babs Bloom. vice-president; Danny Toomey, honey; Pat Zippili, president; Libby Pleasant, student director; Marcia Giordano, secretary; Kathy Phillips, sgt.-at-arms.

Der Deutsche Verein, translated "the German Union," is a club formed for students of the German language. Its purpose is the fostering of the study of the language and the promotion of high academic standards. It also works to create social and cultural understanding among the members.

At the beginning of the year, a get-acquainted party was held for all members, who must successfully complete two six weeks of German to qualify for joining. In addition to attending and sponsoring lectures, they attended movies in German at the University of Miami and other movies and lectures at Barry College.

"Adelante, Siempre Adelante," is the motto of the newly named Pan American Club. Meaning "Forward, always forward," it signifies the purpose of the club which is to better relations among Spanish-speaking students and neighbors through service and social activities. Those students who speak Spanish or are interested in the culture of Spain and its projection into the Latin American countries may become members. They participate in many projects each year in order to carry out their purpose.

Les Parisiens has been in existence for several years, and its membership has increased as the enrollment in French classes has increased. It is designed to stimulate interest in the language and culture of "la donce France" and to improve the member's ability to speak and understand French.

It carries out various money-raising projects in order to leave to the school materials for the language departments, such as records, books, and pictures.

This year, Les Parisiens has enjoyed singing in French, talking to an American student who had lived in Paris, and listened to a speaker from the government of France.

The Science Club is an organization based on activity for the development of high caliber students who are interested in science and who may be considering a career in some scientific field. There are many clubs within the main club such as biology, chemistry, physics, and astronomy which are of particular interest to students. The club also has a ham radio station for the radio society.

Science Club is now a member of the Future Scientists of America and annually sponsors the Westinghouse Talent Search tests. Field trips and parties are always on the agenda. The big event of the year is the Science Fair in which many members have won superior and excellent awards at both the school and county levels.

'One of Edison's Best Teams'

This year's football team could well be classified as one of Edison's best teams. Starting their season by shutting out their first four opponents, it seemed Edison's would be the unbeatable team. And they were until the Thanksgiving Game in which Miami High overcame them 14-0. Even though the team lost to Miami High, Edison's season ended with an 8-1 record allowing only 46 points to be scored on them and averaging over 24 points a game.

BOB CHANDLER evades tackler to score another T.D.

EDISON — 39
NORTH MIAMI — 0

Edison opened its football season with a dazzling 39-0 defeat over North Miami.

The game was Edison's from the opening kickoff to the last of the game as they ran over North Miami and didn't even let them inside their 25 yard line.

Our team proved they had the speed and power and ability as Pete Kiernan and Bob Ashworth led the Raiders offensively.

EDISON — 12 CORAL GABLES — 0

The "Bobsey Twins" led Edison to a 12-0 victory over Coral Gables with fine running and ball handling by quarterback, Pete Kiernan. Bob Chandler and Bob Ashworth ran all over the big Gables line. Both boys showed the Raider spirit many times during the game.

The big Red and White line, led by Bob Astley, Charley Gaussiran. Ronnie Buschbom and Henry Hernandez allowed Gables only one first down. Chandler scored twice with runs of 3 and 23 yards.

BOB ASHWORTH scores from 20 yards out.

EDISON — 35
BRADENTON — 0

The Raiders continued their assault upon an undefeated season and a rating of number one in the state by trouncing Manatee 35 to 0.

The Raiders were guests of Manatee and took advantage of their hospitality by scoring five times.

Kiernan's 40 yard pass to Steve Smith; Pat O'Daniel's 40 yard run from scrimmage and Bob Ashworth's spectacular three touchdowns from 4, 8, and 20 yards out attributed to the Raiders 35 to 0 victory.

JOHNNIE HOSACK shows the form of a great punter.

EDISON — 21 MIAMI JACKSON — 0

Edison's annual Color Day was highlighted by a 21 to 0 victory over Miami Jackson in the Orange Bowl. Less than 3 minutes had elapsed in the first quarter when Edison struck with a 48 yard run, right up the middle, by Pete Kiernan.

Kiernan struck again in the third quarter with a two yard plunge that made the score 14 to 0, after Nickerson kicked his seventh straight extra point.

Bob Ashworth finished it off with a 10 yard run to pay dirt.

The big Edison defensive line, led by Charles Gaussiran, Mickey DeBruel and Henry Hernandez continued its bone crushing defensive play.

GIL PELAEZ and Charlie Gaussiran along with J. D. Pasteris stop a ball-carrier for a loss of yards.

EDISON — 49
JAX JACKSON — 13

The Raiders rolled up their sixth straight win against the Andrew Jackson Tigers with a smashing 49-13 decision.

It seemed in this game that everyone could score including our guards. The Raiders were able to score almost at will, as they tore the Jackson line apart.,

Edison showed tremendous speed and power in our backfield as Pete Kiernan and Bob Chandler together made three touchdowns.

Our defense was also outstanding as they held Jackson to only 50 yards rushing.

CHARLIE GAUSSIRAN brings down opposing player with help of

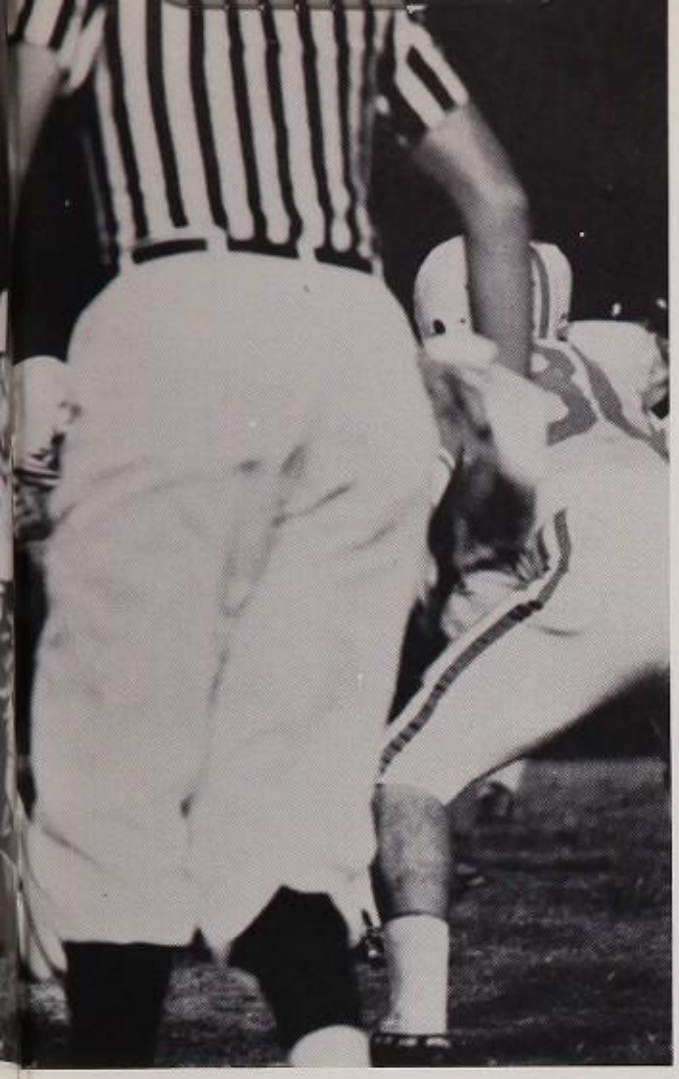
EDISON — 28 JAX LEE — 7

Edison kept its unbeaten season in full swing with a shocking 28-7 victory over Jacksonville Lee. Edison quickly scored 21 points in the first quarter as they swept 70 yards for the first touchdown, 66 yards for the second, and 29 yards for the third.

In the second quarter Lee became the first team to score on Edison, but that is about all they did that night, as our defense held them to only 6 first downs and a total of 147 yards gained.

HENRY HERNANDEZ stops an enemy player with a bone crushing tackle.

OPPOSITE PAGE: Barry Nickerson kicks many of his extra points for Edison.



Mickey DeBruhl and Henry Hernandez.

EDISON — 45
NORLAND — 6

The Raiders continued their undefeated season by downing Norland with a smashing 45 to 6 victory. Ronnie Wright, Edison's big fullback, scored three times with touchdowns to end Steve Smith for 20 yard pass play, and the fourth Edison touchdown.

Pistol Pete took a punt and ran 84 yards for the fifth. Bob Ashworth took the ball over for Edison's sixth touchdown.

Pat O'Daniel finished the Vikings off with a spectacular 78 yard touchdown run which made the score 45 to 6.

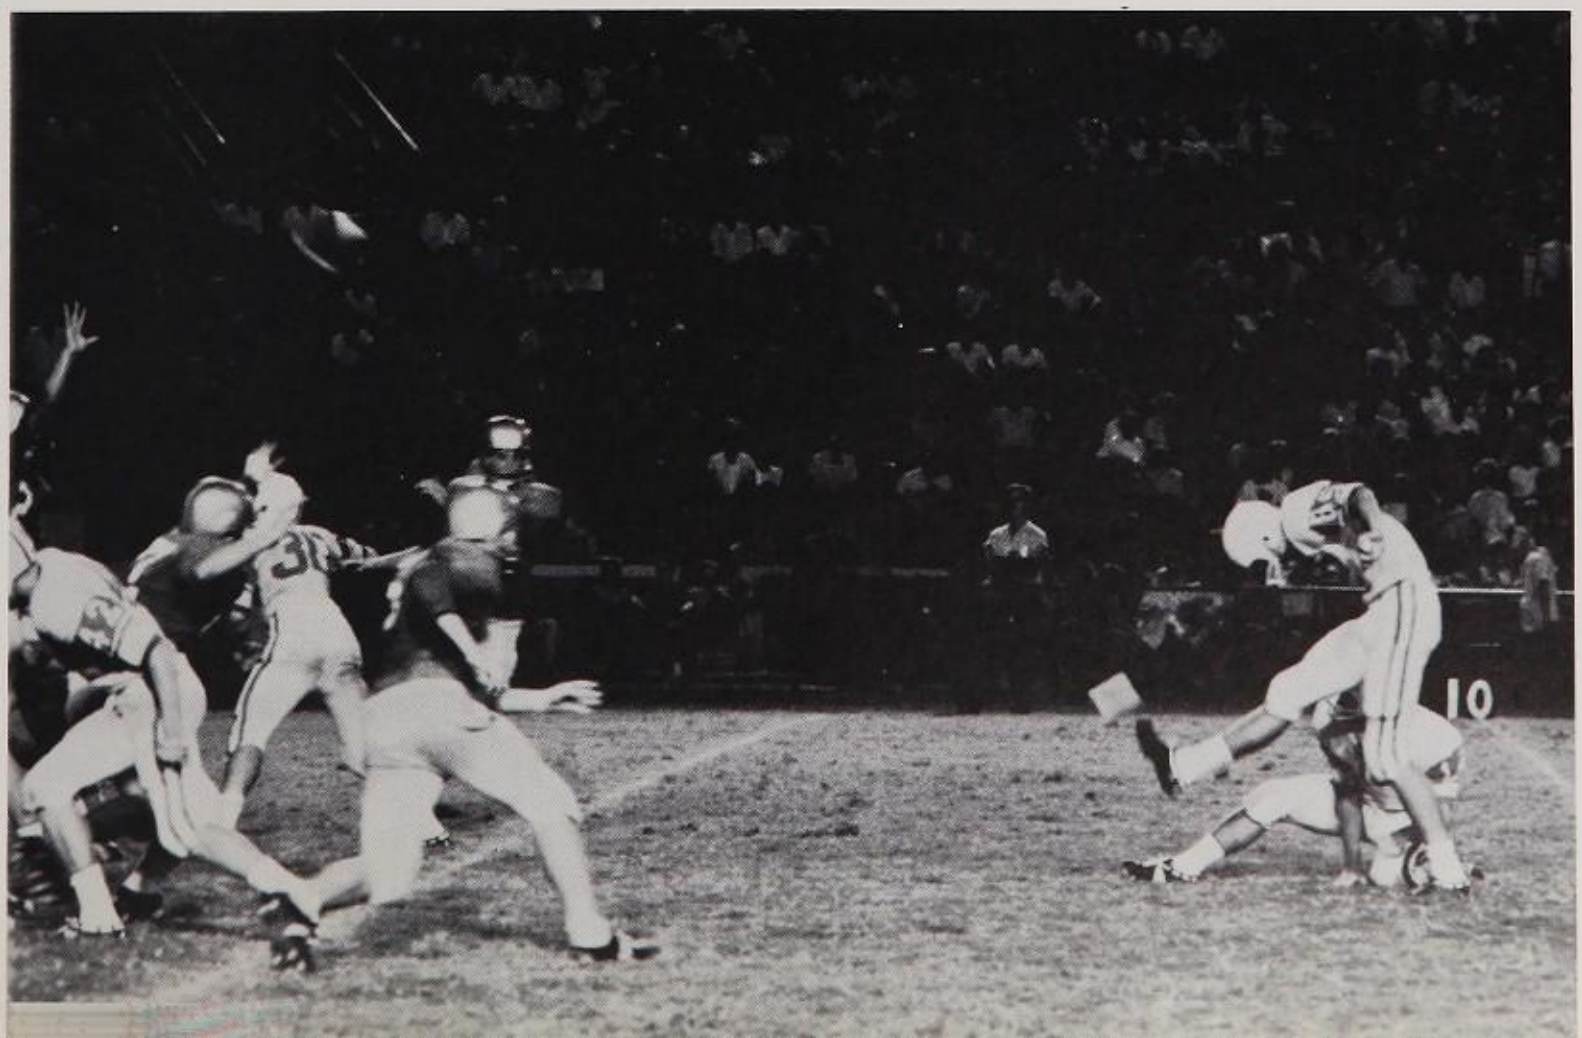
The Raiders defense was led by Bushbom, Frink, and Hernandez.

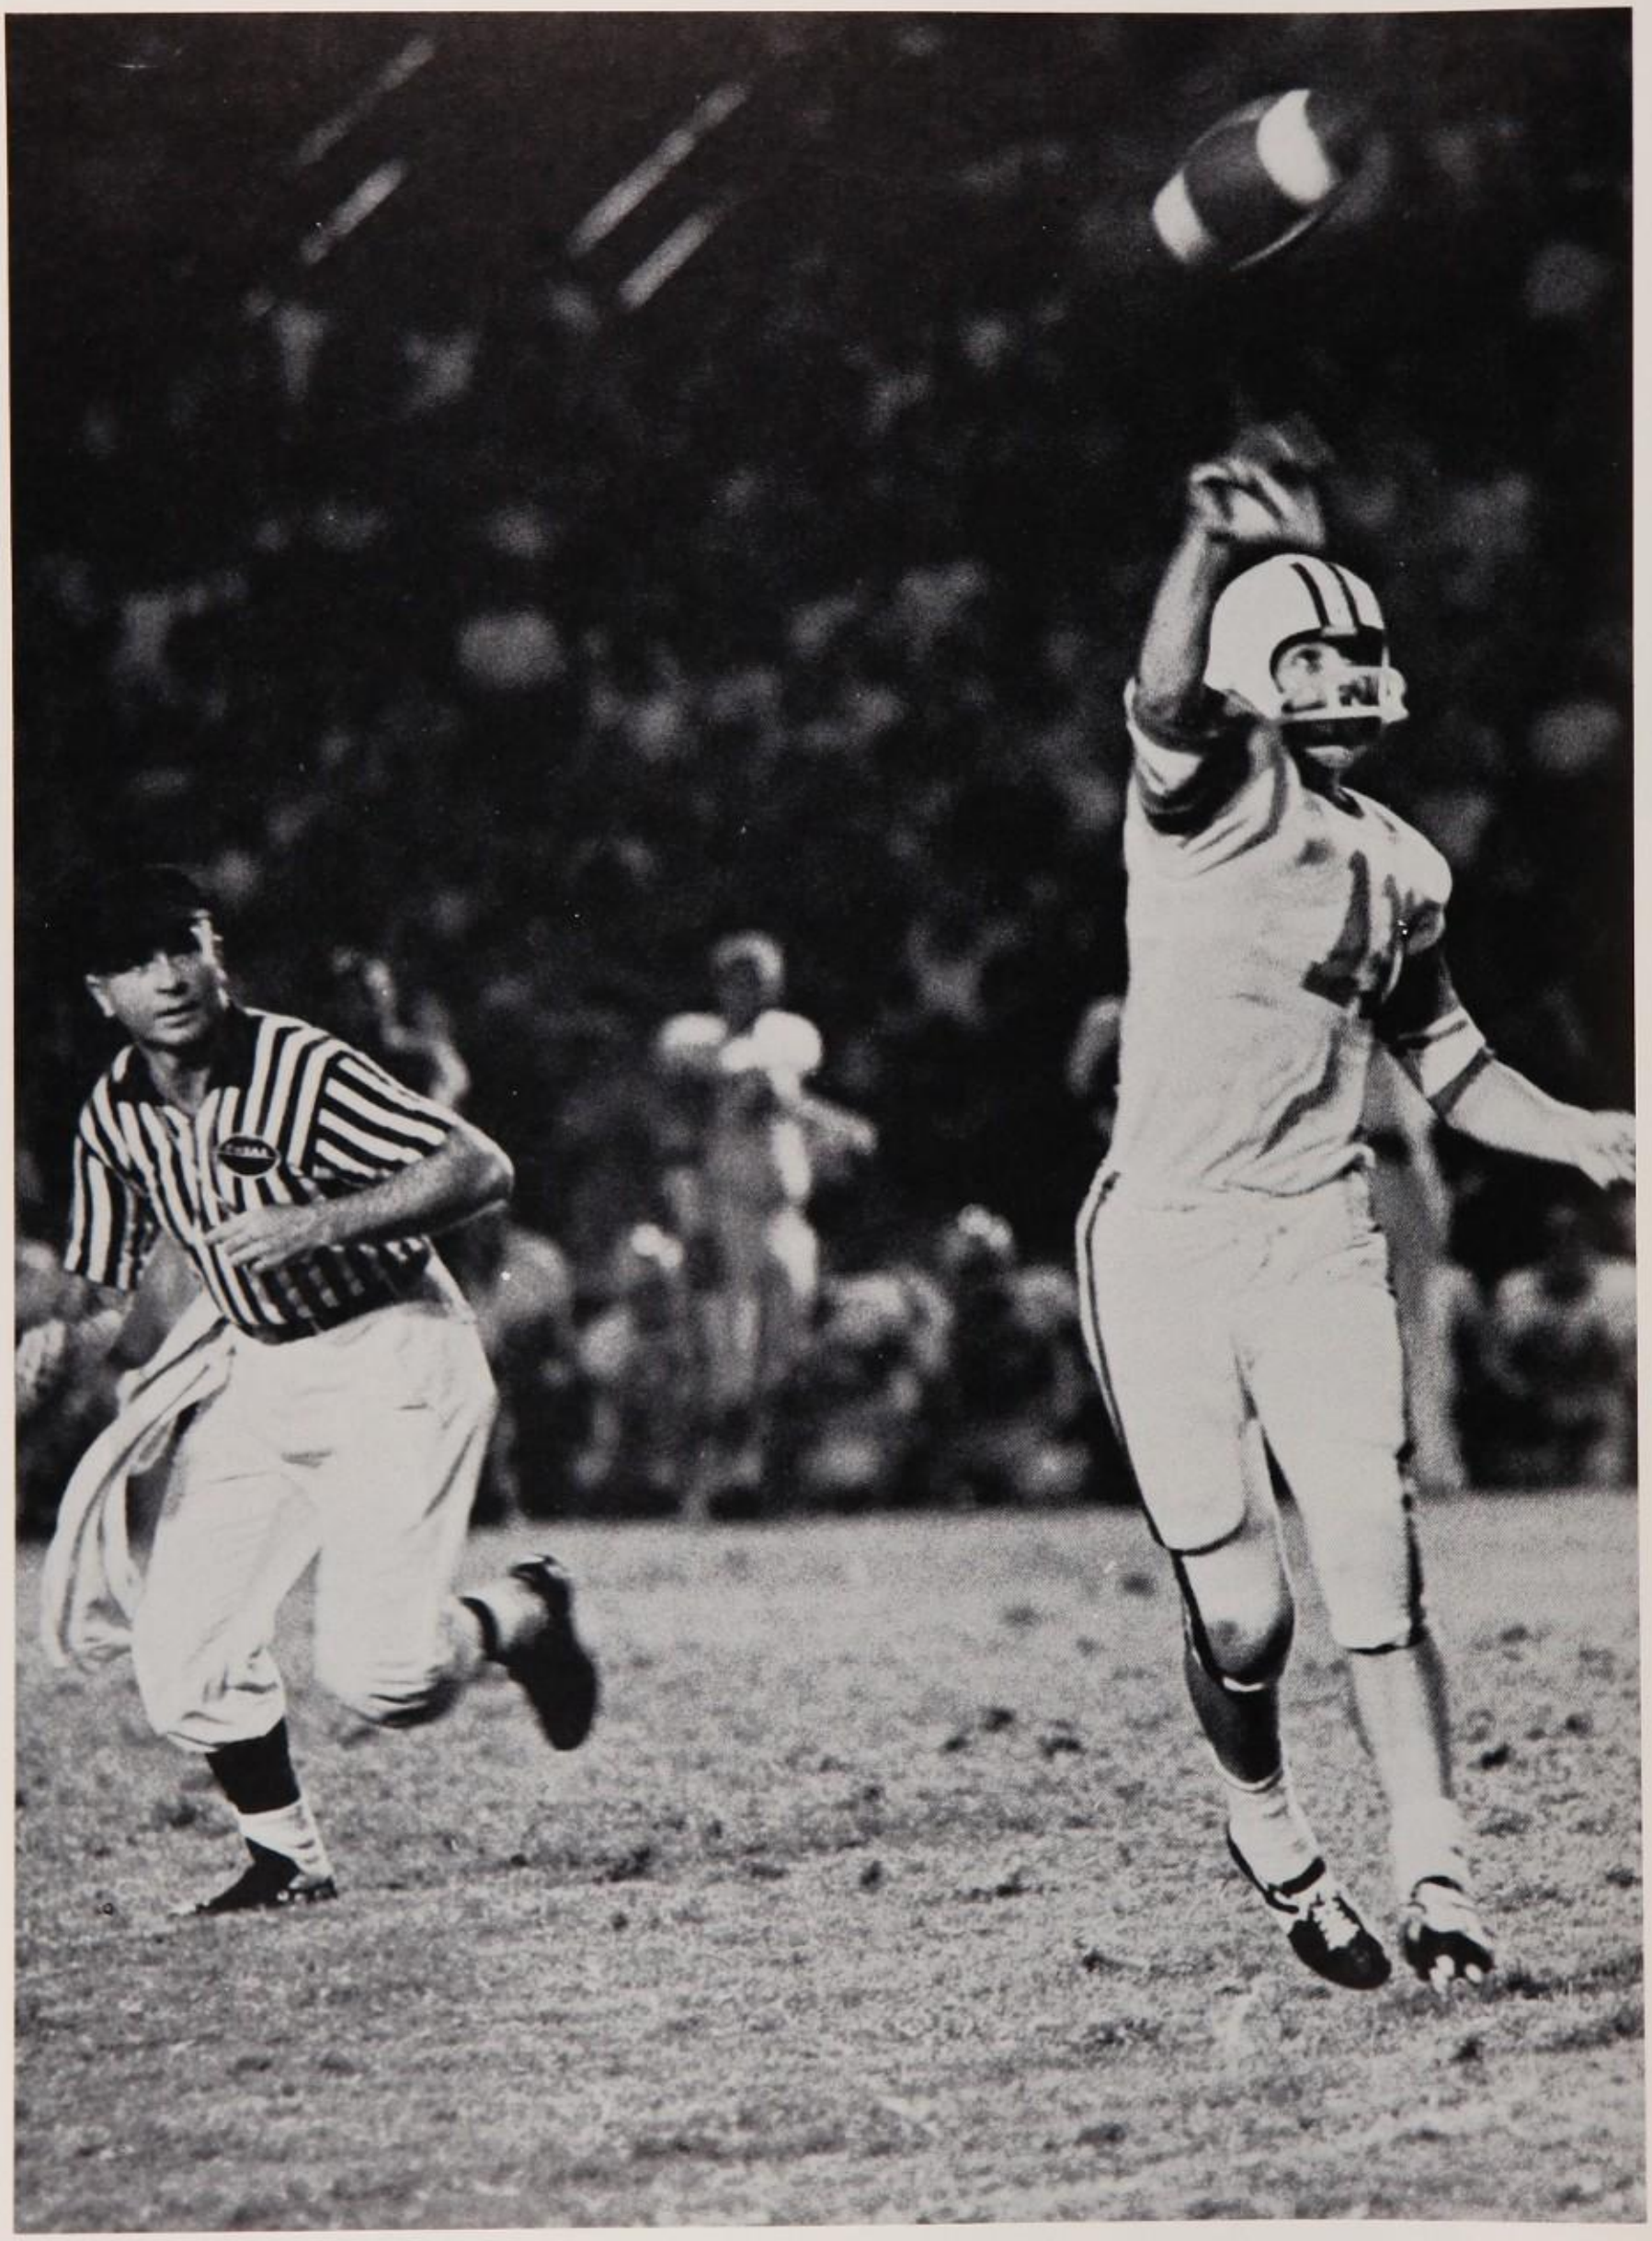
EDISON — 33 ORLANDO — 6

Edison's mighty Red Raiders held their first place ranking as they rolled over Orlando Boone 33-6.

Less than four minutes was gone from the first quarter when Edison's first touchdown came. Then again in the second quarter a Kiernan to Smith pass was good for 18 yards and another touchdown. Another seven points was made early in the second half and then the final 14 points in the fourth quarter. Boone's only score came in the fourth quarter against Edison's reserves.

Edison's defense was led by All-American's Bob Astley and Ron Buschbom.





EDISON — 0
MIAMI HIGH — 14

'Turkey Game' Spells Disaster

Once again the traditional "Turkey Game" meant defeat for Edison's top ranked team.

Entering the game as the favorites, they soon learned different, as Miami High overpowered them with a 14-0 decision.

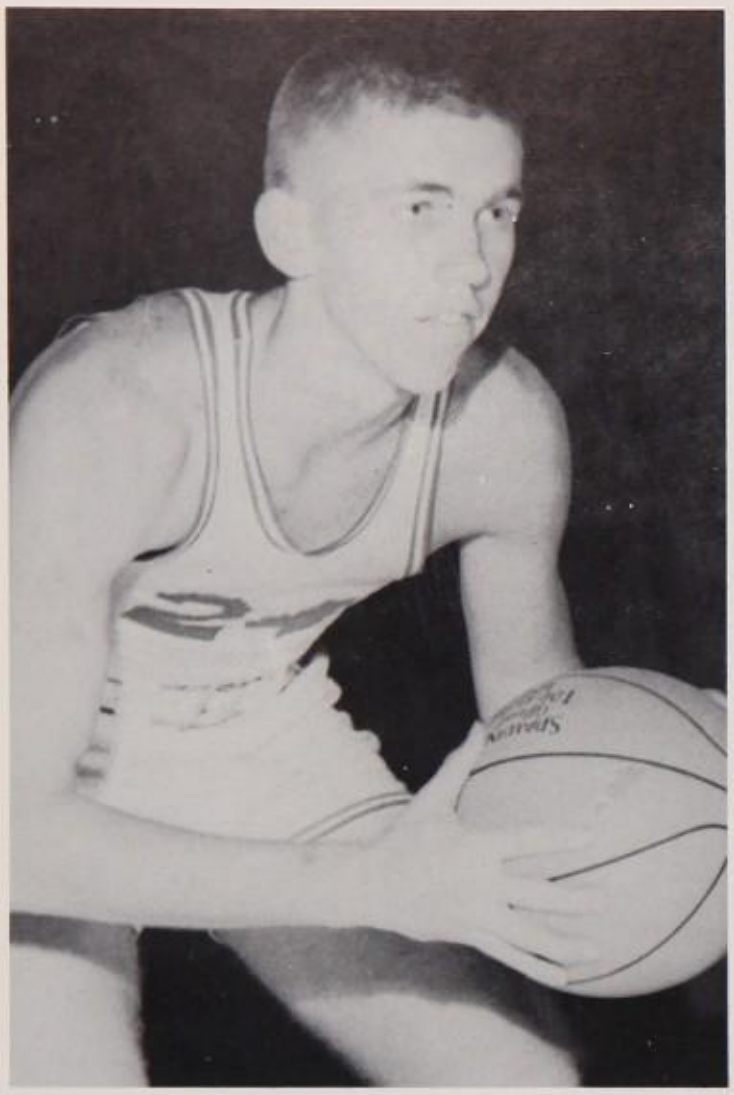
Edison's offense just couldn't seem to move and was held to only 28 yards rushing, and 2 first downs. The Miami High team hit harder, led by All-American John Battle.

Coach Fowle's own words, "When you get hit harder, you lose every time." This was the prominent factor in our defeat.

Even though we lost the final game, let us not forget the eight spectacular ones the Raiders played and won. This team is truly one of the best "ALL-AROUND" Edison football teams that ever wore the red and white.

THE BOYS who received All City recognition for their outstanding play were: B. Ashworth, S. Smith, B. Astley, R. Buschbom, N. Valleau, C. Gaussiran, H. Hernandez, T. Mullins, B. Chandler, J. D. Pasteris, J. Campbell, M. DeBruhl.

PETE KIERNAN throws a forty yard T.D. pass to end Steve Smith.



CAPTAIN KEN SANDERS
Guard
6' 170 lbs.

Our basketball team, this year, had something they haven't had in a long time. This "something" was height. Coach Carl Eagle was blessed with some tall, country boys that really wanted to play basketball.

As the year wore on, this height was the important factor that enabled Edison's basketball team to finish as fine as they did. This factor helped us to reach the semi-finals in the basketball tournament.

The team also inherited fine speed from guards John Hosack and Freddy Frink. This speed, along with tremendous height, helped the team to set up shots for sharpshooting Ken Sanders, one of our team captains. Whenever Sanders would miss, which was seldom, our star rebounder, Bob Ashworth, would make the shot with a tip-in.

Edison's basketball season was a success due to the expert coaching of Carl Eagle and the fine spirit which the players carried on the court.

Physical Ed Builds Bodies, Co-ordination

The Physical Education department offers many different and various activities for student participation. Much more emphasis this year is being placed on team sports.

This class offers the student a chance to develop his skill in athletic participation and gives him a chance to rest from his regular classes. All this goes into producing a well-rounded education for students today.

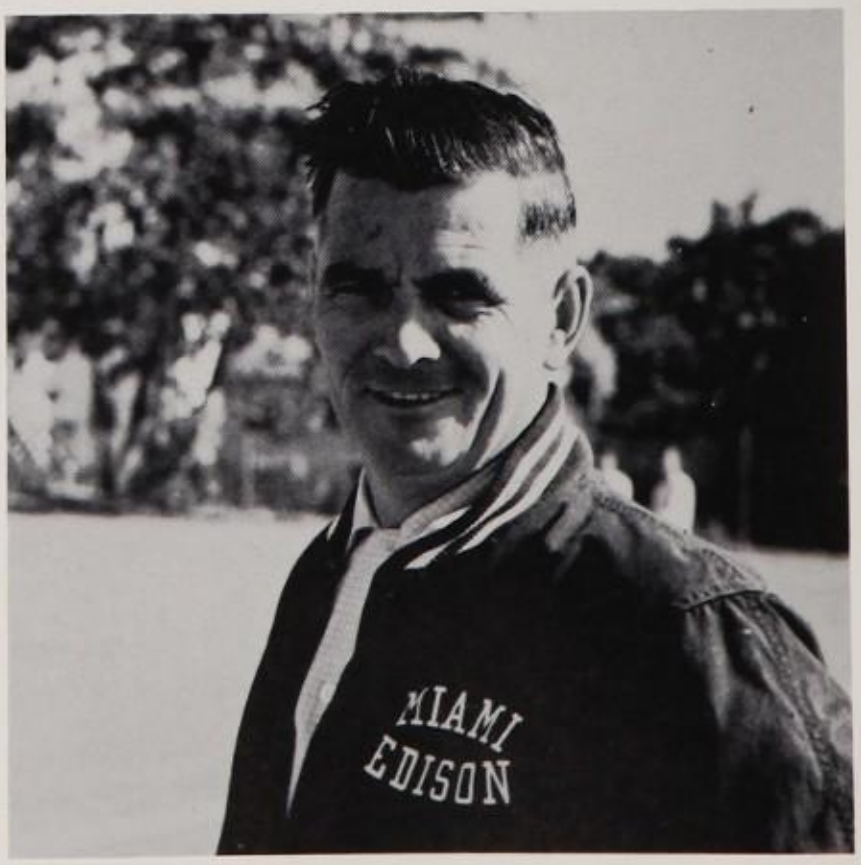
Speed Is the Key to Our Success

This year Edison had a new asphalt track which we could call our own. You could say that we had a brand new team to go along with the track.

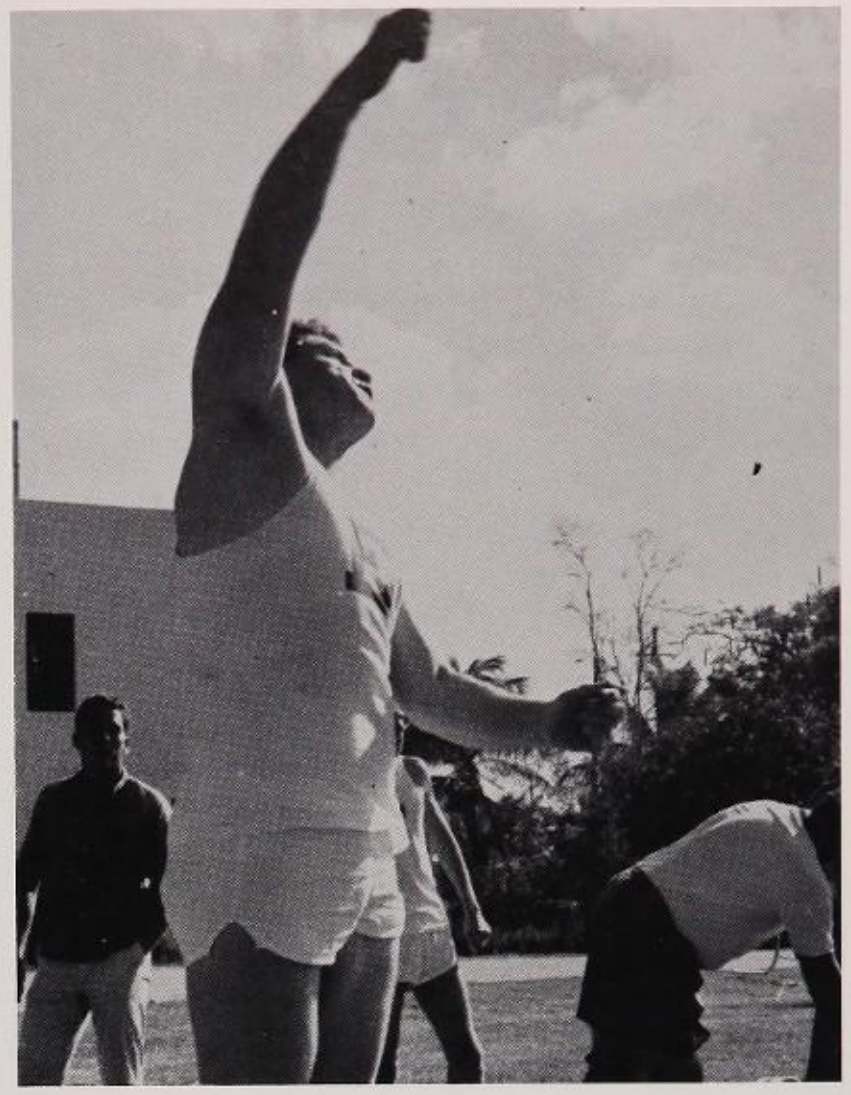
The team showed its speed time and time again as our sprinters raced to new records. The middle distance and distance runners were the team's strong points. Gary Pinder, veteran distance man, broke the record for the 440 yard dash with a 50.3 seconds time; a newcomer to the Raiders, Farnum Smith, slashed the mile record with a sizzling 4:28.4 time. Other record breakers were the sprint medley relay and mile relay teams. Outstanding distance men were Farnum Smith, Austin Funk, Gary Pinder, and Bob Meadows.

Other outstanding members of the track team this year were Lloyd Burt, 100 yard sprinter, and John Morton, who pole vaulted to a record height of 13.5 feet.

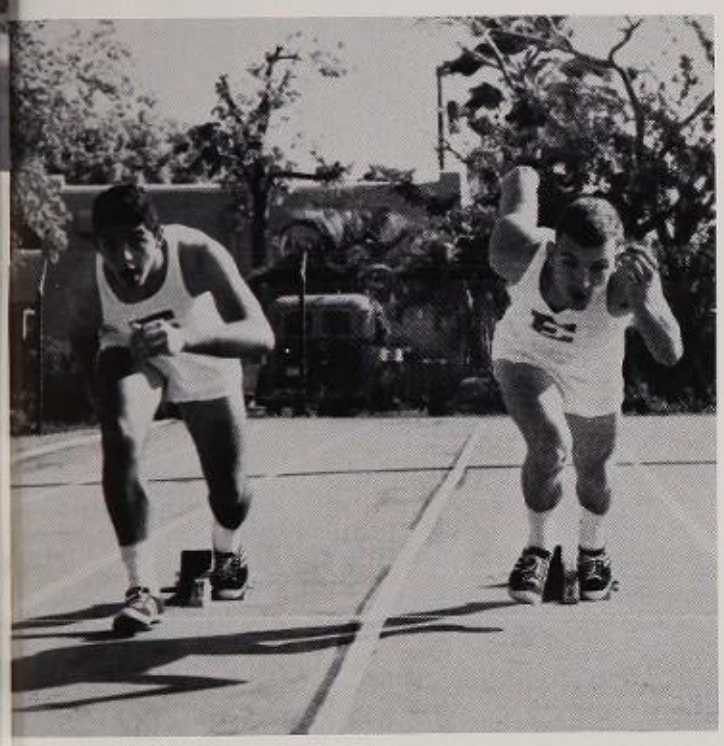
COACH TOM COLLINS



POLE-VAULTERS are Henry Hernandez, Bob Cushman, and John Morton. John established a Dade County record of 13'5".



J. D. PASTERIS shows winning form as he throws the shot-put.



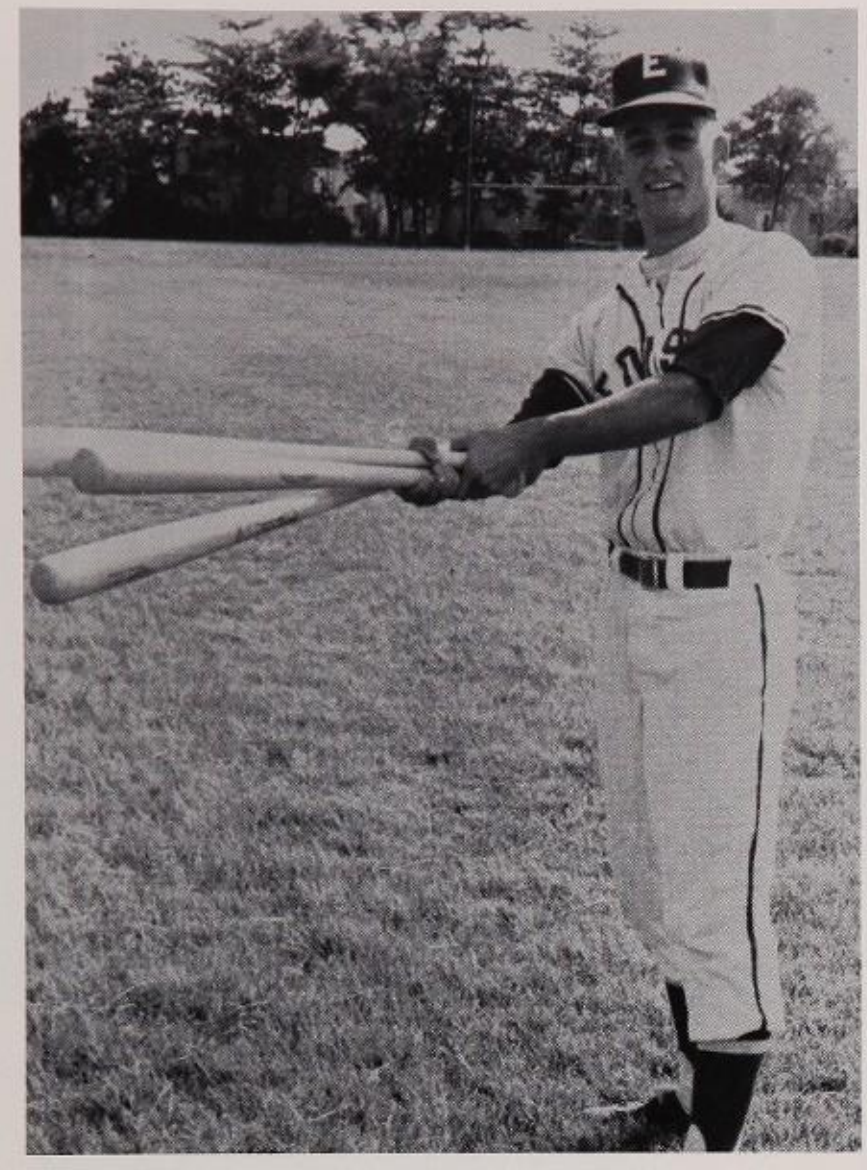
SPRINTERS Gil Peleaz, and Lloyd Burt start 100 yard dash run.

BOB CUSHMAN goes over the bar at a pole-vault of 11 ft.

GIL PELEAZ GIVES that extra effort as he crosses the finish line.

LLOYD BURT shows strain as he starts the sprint medley.

RONNIE WRIGHT jumps last hurdle as he finishes far ahead of his opponents in the high hurdle event.



CO-CAPTAIN DON MULLIS
(Co-Captain Bob Chandler
not pictured.)

The baseball team started slow but ended up strong this season by winning the Miami Herald Baseball Tournament. Oscar Zamora's fine pitching, including two no-hitters, enabled the Raiders to down all of the big four: Coral Gables, Miami High, North Miami, and Jackson.

The team had fine hitting from Bob Vega, Phil Thompson, and Mike Ratelle. Don Mullis, the Raider second sacker, finished the year with a .493 batting average to lead all double AA schools in Dade County.

The overall season's record was 16-7. This team is the first in many years to beat Miami High twice in one season. It is the first time in many years that a baseball team from Edison has beaten the big four.

Coach McLane is to be commended for his fine leadership and guidance to the players. He took an inexperienced group of boys and made them into a championship team.

Netters Work Hard For Winning Season

"A solid team from number one through number five," is the way Coach Floyd Baker describes this year's tennis team.

Working every day at the Miami Shores Community Center the team must develop expert coordination and stamina in order to compete well.

The Tennis Team has not let Edison's winning year go down by, coming out with a very good season.

RICHARD PETERS makes good return.

FIRST TEAM—Mr. Floyd Baker, Richard Peters, Dale Miller, Frank Walker, Don Crissman, Russell Burr, Peggy Burton—manager.

A MOMENT of prayer before a pep assembly.

Being a cheerleader is an honor and a responsibility. It is more than conducting cheers and planning pep assemblies. It is an opportunity to represent Edison.

Spring tryouts mark the beginning of many hours of practice for the lucky ten. Throughout the year, these cheerleaders take part in many important school activities: Kick-Off Barbecue, exchange pep assembly with Jackson, the Miami High pep assembly, the football and basketball clinics, and other athletic events.

Edison's cheerleading squad has worked hard in an attempt to build spirit and keep tradition.

GAA Improves Skills of Girl Athletes

The purpose of the Girls' Athletic Association is to give girls who are inclined to participate in sports a chance to improve and use their skills.

GAA takes part in competing with other schools in team sports as basketball, baseball, and volleyball. They also have individual sports in which they compete.

The club, under the capable eye of their sponsor Miss Ruth Dale, hold their meetings after school to take care of business and practice.

Honors

To give honor to whom honor is due is the purpose of this section. Here we recognize those students who have contributed their time, effort, leadership, scholarship, service, talents, abilities, and character to building our communities and themselves. On the next page former Governor of Florida LeRoy Collins presents awards to Edison students who exemplify these standards.

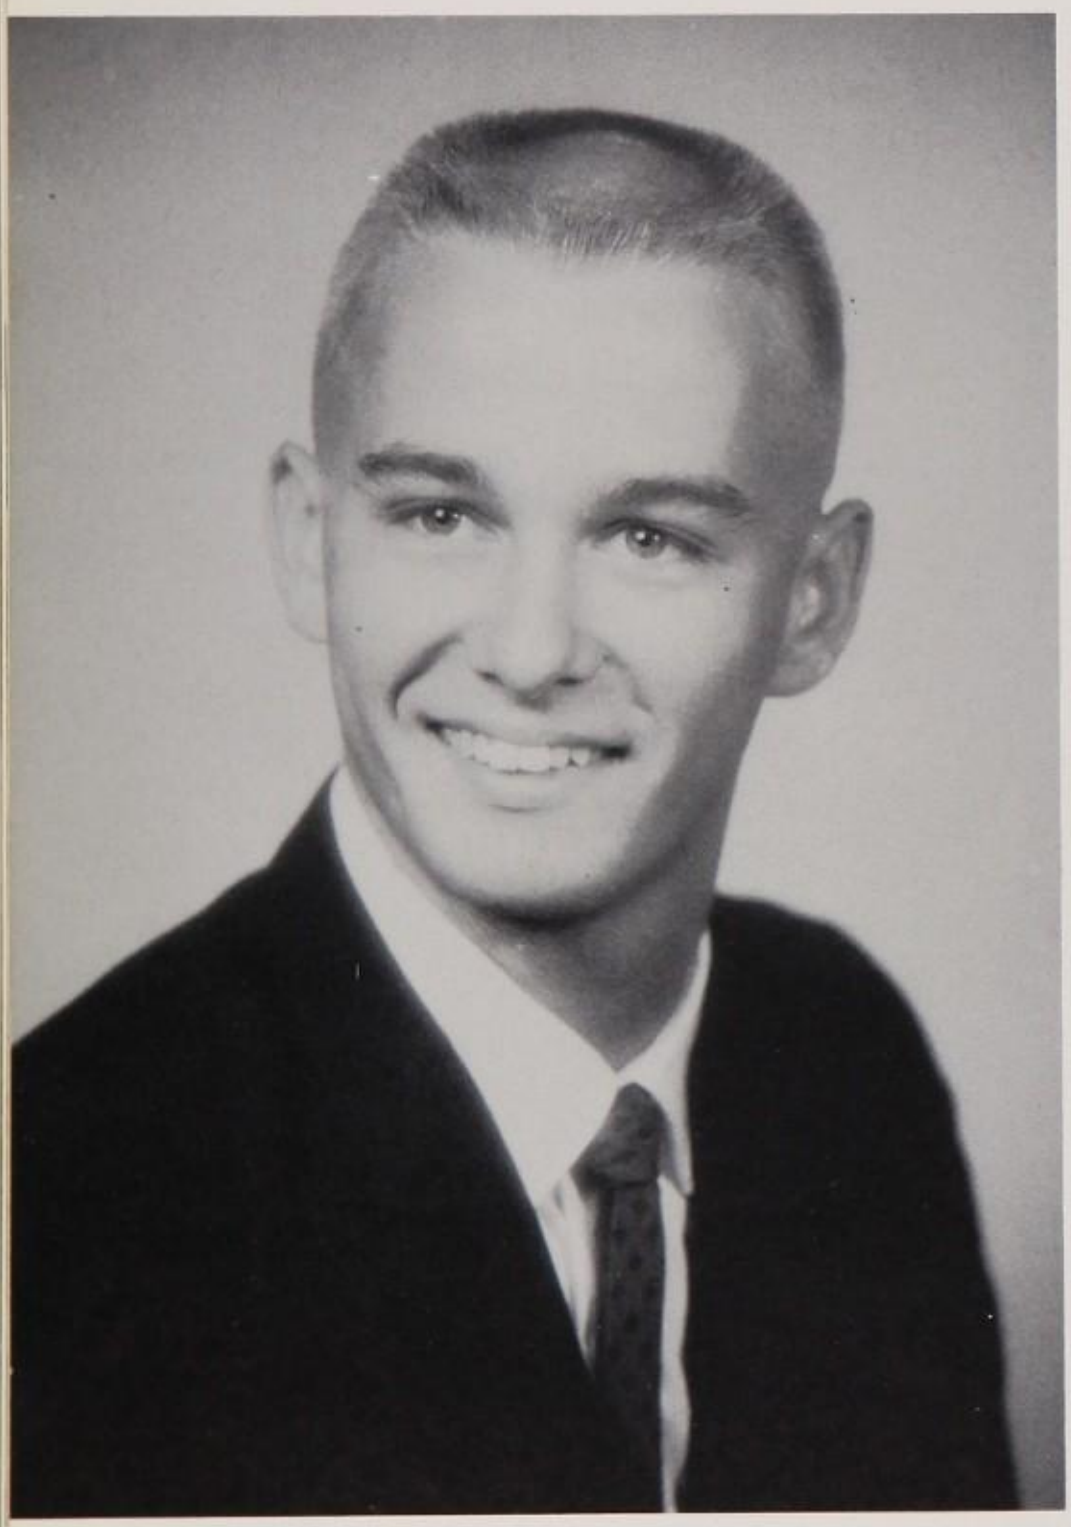
Most coveted—the Julian Daniel Trophy.

To Give Honor to Whom It Is Due

Julian Daniel Award

"There is a natural aristocracy among men. The grounds for this are virtue and talents."

—Thomas Jefferson

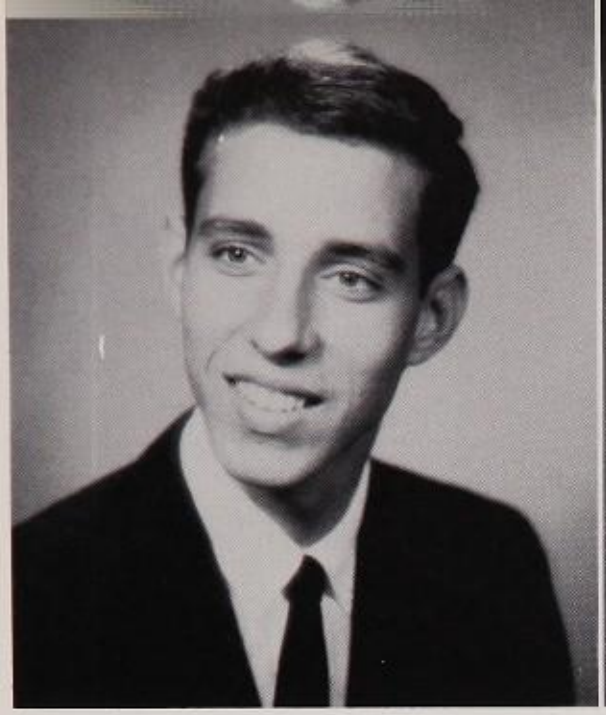


DONALD MULLIS

A few well-chosen words engraved on this award frame the thought behind this most coveted honor.

The Julian Daniel Award was established thirteen years ago in memory of Julian Daniel and the fine ideals for which he stood. He was an outstanding leader, scholar, and athlete, whose senior year was interrupted by his death.

A faculty-student committee this year choose Donald Mullis as the senior who most exemplifies the ideals of Julian Daniel.

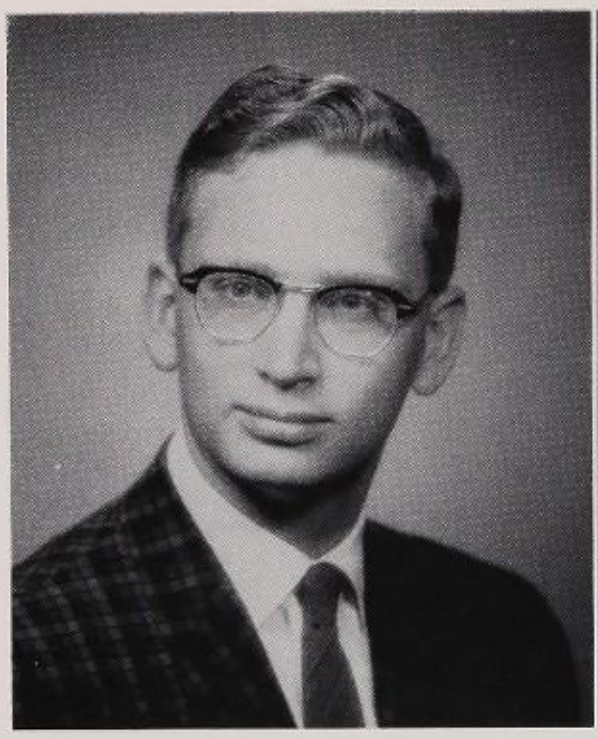


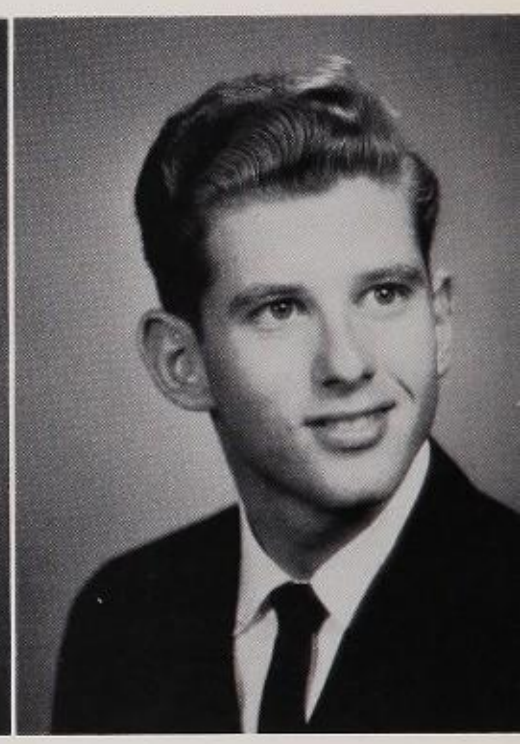
The outstanding boy and girl in the class of 1962 are David Folsom and Paulette Stanley. They were selected by the faculty and Senior class to receive the American Legion Award for their integrity, leadership, scholarship, service, and courage.

The DAR Award was presented to Diane Waters for the qualities of dependability, service, leadership, and patriotism.

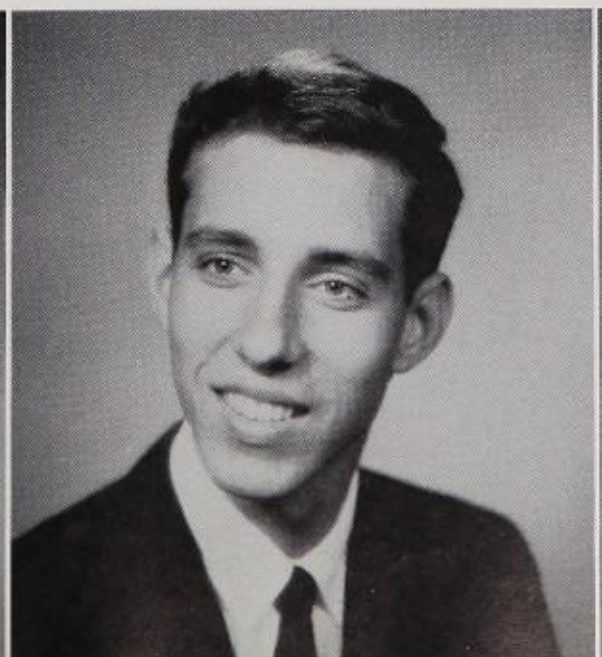
Hard work, effort, and ambition spur Americans on to ever greater achievements. So it was in becoming the top graduates of the Class of 1962. Putting aside less important things to maintain a scholastic achievement is a great task, and Edison is proud to announce such students.

The Valedictorian, James Wertz, maintained an average of 4.6333. The Salutatorian, Steve Raskin, maintained a scholastic average of 4.4483.



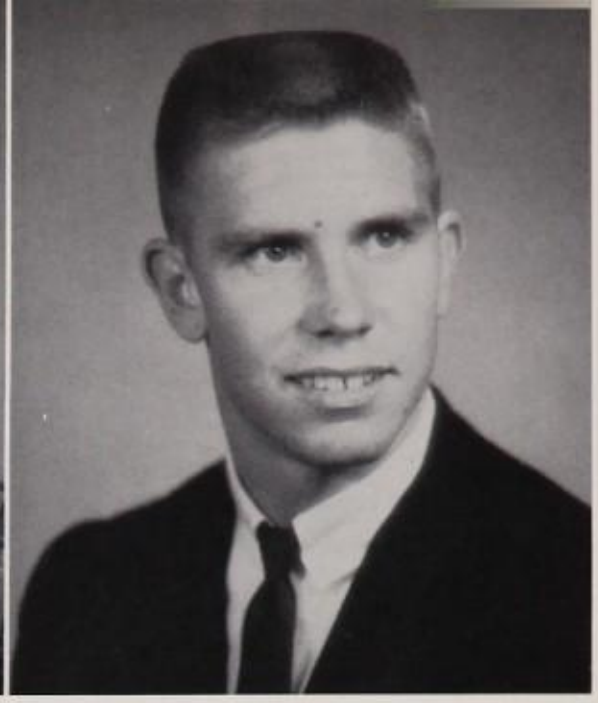


Each year the Royal Palm Chapter of the National Honor Society presents a series of awards to those members of the Senior class who best fulfill their four cardinal aims of Leadership, Service, Character, and Scholarship. This year the awards were presented to Paulette Stanley for Leadership, David Folsom for Service, and Ellen Hinderkopf for Character.



To the boy who shows through athletic competition the qualities of a true gentleman, one of Edison's major awards is presented. This year Ronnie Buschbom received the Gentleman Athlete Award.

The American Legion Award is given each year to the outstanding Senior Athlete. This year the award was presented to Bob Ashworth for his sportsmanship and his outstanding ability in sports.



The Junior Chamber of Commerce Award is given to the senior who is outstanding in scholastic as well as athletic abilities. This year the coaches chose Neil Valleau to receive this award.

Mary Haley was selected by faculty members and members of the Damas Club of Edison to receive the Damas True Lady Award as the Senior girl who has in an outstanding degree, displayed the qualities of poise, sincerity, consideration of others, and adaptability to every situation.

The University of Miami Chapter of Sigma Alpha Epsilon presented the True Gentleman Award to David Folsom for possessing the qualities of sincerity, understanding, self-control and respect for others.

For his unselfishness, service, and outstanding character, Don Mullis was awarded the Civitan Good Citizenship Award by the Civitan Club and faculty.

The National Conference of Christians and Jews honors those students who best exemplify the ideals of brotherhood in their schools. This year Suzanne Barnett was named the Outstanding Jewish Student at Edison and Kino Sakuma was named the Outstanding Catholic Student at Edison. Both Suzanne and Kino went on to receive state honors as the outstanding Jewish and Catholic seniors in Florida, and received their awards from Governor Collins (see page 235).

Where People *most likely to succeed* come First

to save for their future...

Many high school graduates will be in college this fall because they had the foresight to save at FIRST FEDERAL. Others will be on their way to financial security because of their regular savings habits. In the years to come they'll find it's easier to make the grade because of the healthy habit of thrift.

It's not too late to resolve your own plans for success in life. Best way is to save at FIRST FEDERAL of Miami—where your dollars earn at the maximum rate, insured up to $10,000 by an agency of the United States Government.

Why not start saving soon...

Editors' Epitaph

You hold in your hands our most sincere effort to record the events and spirit of the past school year. This is the largest yearbook ever produced at Edison, and in some respects, this book is our tombstone and this page is our epitaph.

Now that the frustrations and anxieties are coming to an end, we can't help but wonder if it has really been worth it—the chaos of the crowded staff room, the ever pressing deadlines, and the feeling that the knowledge of the time and effort involved in this publication will never reach the students. There were times when we felt that we should just quit and walk out; but there was that certain sense of obligation—or maybe it was our pride and self satisfaction—that kept us on the job.

In our small way, we would like to express our deepest appreciation to all those people who gave so unselfishly of their time to make this 1962 Miami Edison Beacon possible. Going further in our appreciation, we are grateful to Mr. William B. Duncan, our principal; Mr. William H. Thomas, dean of boys, and Mr. Donald A. Burroughs; to Mr. Ed McMeans and Mr. Bob Cook of Taylor Publishing Company; and to Ed Kase of S. K. Smith Company for his help in designing our cover.

A special thanks to our photographers, Mr. Percy Dean, Mr. Chet Miller, and Mr. Dempsey Limbaugh of Photo Reflex Studios. And of course we couldn't finish without saying thanks to Mrs. Charlet Ladd for her patience and guidance, which carried us through the many problems, and to our loyal staff of this 1962 Beacon.
